INFRASTRUCTURE UPDATE

WATER MAIN REPLACEMENT & NEIGHBORHOOD SEWER REHABILITATION – 37TH STREET & ROANOKE DRIVE

CONSTRUCTION SCHEDULED FOR: JULY 2019 – APRIL 2021

KC Water is working to construct important improvements to the water and wastewater systems in your neighborhood. This project will rehabilitate water and sewer mains, water valves, fire hydrants, service laterals and manholes in your area to like-new conditions. When complete, the project will improve water and wastewater service reliability, and lesson the frequency of water main breaks, sewer overflows and basement backups.

PROJECT AREA

THIS PROJECT IS LOCATED WITHIN THE TURKEY CREEK BASIN. THE BOUNDARIES ARE:
- NORTH/WEST: KARNES BOULEVARD
- SOUTH: EAST ROANOKE DRIVE
- EAST: ROANOKE ROAD

WHAT'S BEING DONE?
This project includes the rehabilitation and/or replacement of approximately:

- 2,100 liner feet of water mains
- 19 water service transfers
- 7 water valves and 5 fire hydrants
- 700 liner feet of sewer mains
- 19 service lateral connections
- 2 manholes

WHAT'S THE TIMELINE?
Construction is anticipated to begin in June 2019 and end in April 2021.

WHAT CAN YOU EXPECT?
We appreciate your support and patience as we work to complete this important community project. Customers will be notified in advance of pending disruptions, which may include:

- Large equipment creating noise and dusty conditions
- Temporary street closures
- Temporary water and sewer service disruptions

WHO’S DOING THE WORK?
KC Water will be assisted by its program manager, Burns & McDonnell; its design professional, Black & Veach; and its construction contractor, Kissick Construction.

WHAT’S THE CONTRACT AMOUNT?
The budget for construction is $8,175,972.

WHAT’S THE “CONSENT DEGREE”?
In 2010, the City of Kansas City, Missouri entered into a Consent Decree with the United States Environmental Protection Agency to reduce the volume and frequency of overflows from the City’s sewer system. KC Water’s Smart Sewer program is a 25-year plan to address this challenge. The Turkey Creek and Central Industrial District Area 2 Neighborhood Sewer Rehabilitation Project is one piece of the Smart Sewer program, and is required by the Consent Decree to be completed by April 30, 2021.
