#KCStat

Public Safety

# Public Safety

To protect Kansas City residents, visitors, and employees by providing comprehensive, high quality public safety services, including programs to prevent or significantly reduce public safety problems and threats in a timely manner.

# How To Get There: 2017-2022 City Objectives For Public Safety

#	Objectives relating to <b>Crime Reduction</b>	Target Timeframe
2	Reduce crime among all age groups, placing an emphasis on young offenders.	Ongoing
10	Investigate the feasibility of body cameras for the Kansas City Police Department.	November 2017

#	Objectives relating to <b>Emergency Services</b>	Target Timeframe
3	Measure the impact and effectiveness of the Kansas City Assessment and Triage Center (KCATC).	July 2017
7	Develop and implement the Ground Emergency Medical Transportation (GEMT) legislation that amended Chapter 208, RSMo to provide for supplemental reimbursement for ambulance services to MO HealthNet participants.	2018
8	Evaluate and identify areas of opportunity in the Fire Department's emergency response delivery system to ensure the best patient outcomes.	2017

# How To Get There: 2017-2022 City Objectives For Public Safety

#	Objectives relating to <b>Public Safety Staffing</b>	Target Timeframe
1	Complete a Kansas City Police Department staffing study and develop a multi-year plan to implement the approved recommendations.	January 2017
9	Review, enhance, and develop programs of the Kansas City Police Department (KCPD) and the Kansas City Fire Department (KCFD) to improve diversity of employee recruitment, succession planning, and retention.	November 2017
#	Objectives relating to <b>Animal Safety</b>	Target Timeframe
4	Prevent animal-related threats to public safety and support animal welfare through improved pet license compliance, education, and effective animal response operations.	Ongoing
#	Objectives relating to <b>Fair, Efficient, &amp; Pragmatic Justice</b>	Target Timeframe
5	Measure the effectiveness of the Municipal Court's docket system changes utilizing the National Center for State Courts (NCSC) court performance measures.	August 2017
6	Continue to refine and implement standards and policies of the City's specialty courts to meet national best practices.	Ongoing

# 2017 Measures of Success

Measures of Success	Actual FY15	Target FY16	Actual FY16	Target FY17
Total crimes against persons	11,978	11,379	12,932	12,285*
Percent of citizens satisfied with the city's overall efforts to prevent crime	50.5%	52%	45%	52%
Percent of citizens satisfied with quality of fire/EMS services	76.9%	78%	79%	78%
Percent of cardiac arrests (vfib/vtac rhythm) with return of spontaneous circulation (ROSC)	22%	30%	34%	30%
Percent of pets licensed	11%	10%	10%	11%
Percent of traffic cases disposed within 90 days – Traffic (days)	82%	85%	81%	85%
Case Clearance Rate		100%	96%	100%

\*based on 5% reduction over FY16 Actual

# Crime Reduction

## Objective 2

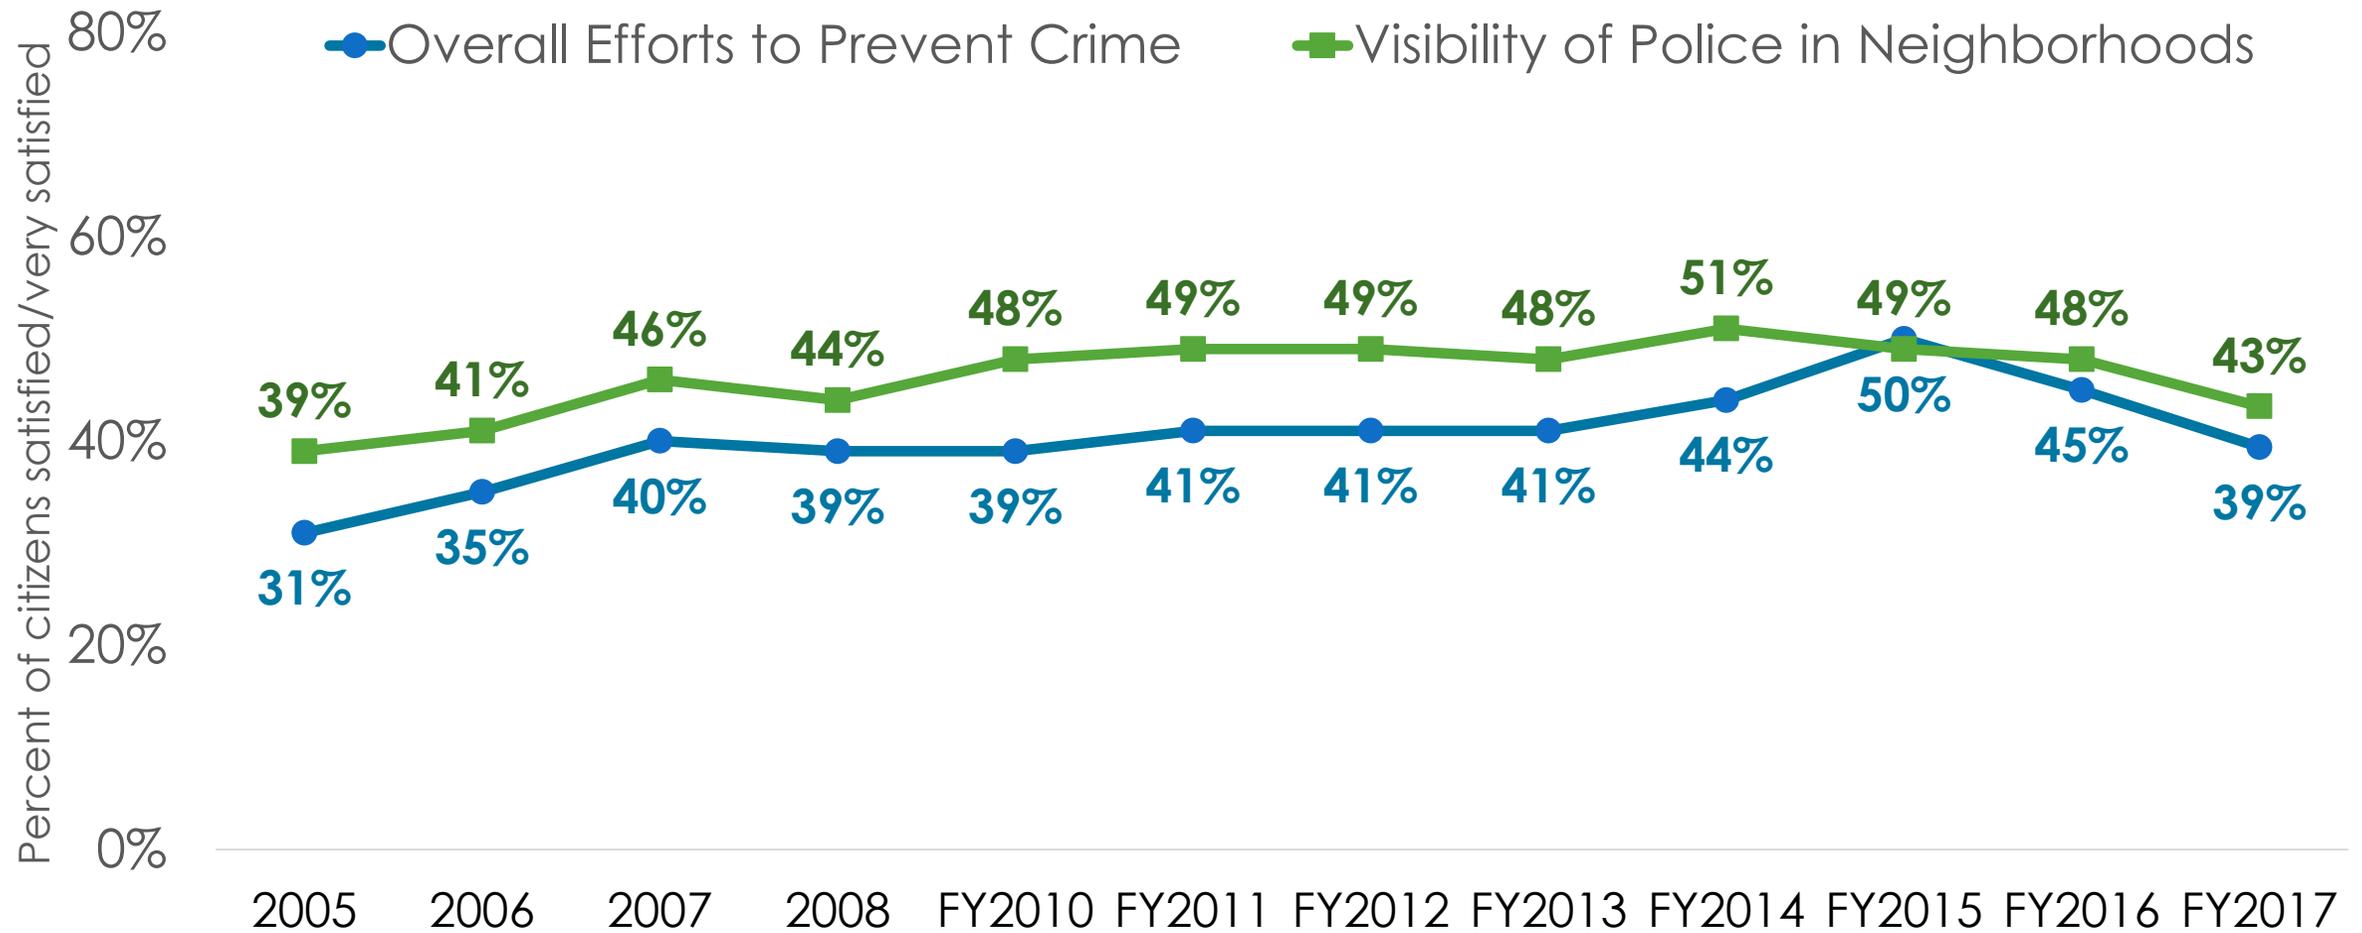

Reduce crime among all age groups, placing an emphasis on young offenders. (Ongoing)

# Citizen Perception of Police Services and Crime Prevention

# What is important to citizens to improve: Police Services

Question	Importance	Satisfaction	FY2017 I-S Rank	FY2016 I-S Rank
The city's overall efforts to prevent crime	46%	39%	1	1
The visibility of police in neighborhoods	42%	43%	2	2
How quickly police respond to emergencies	28%	48%	3	3
Effectiveness of local police protection	29%	60%	4	4
Enforcement of local traffic laws	9%	51%	5	5
Parking enforcement services	4%	46%	6	6

# Citizen Satisfaction with Efforts to Prevent Crime and Visibility of Police in Neighborhoods

# Citizen Survey: Contact with Police Officers

**46%** of residents

**44%** of residents with HH income < \$30K

**48%** of residents with HH income > \$100K

**41%** of African-American residents

**48%** of white residents

**50%** of Hispanic residents

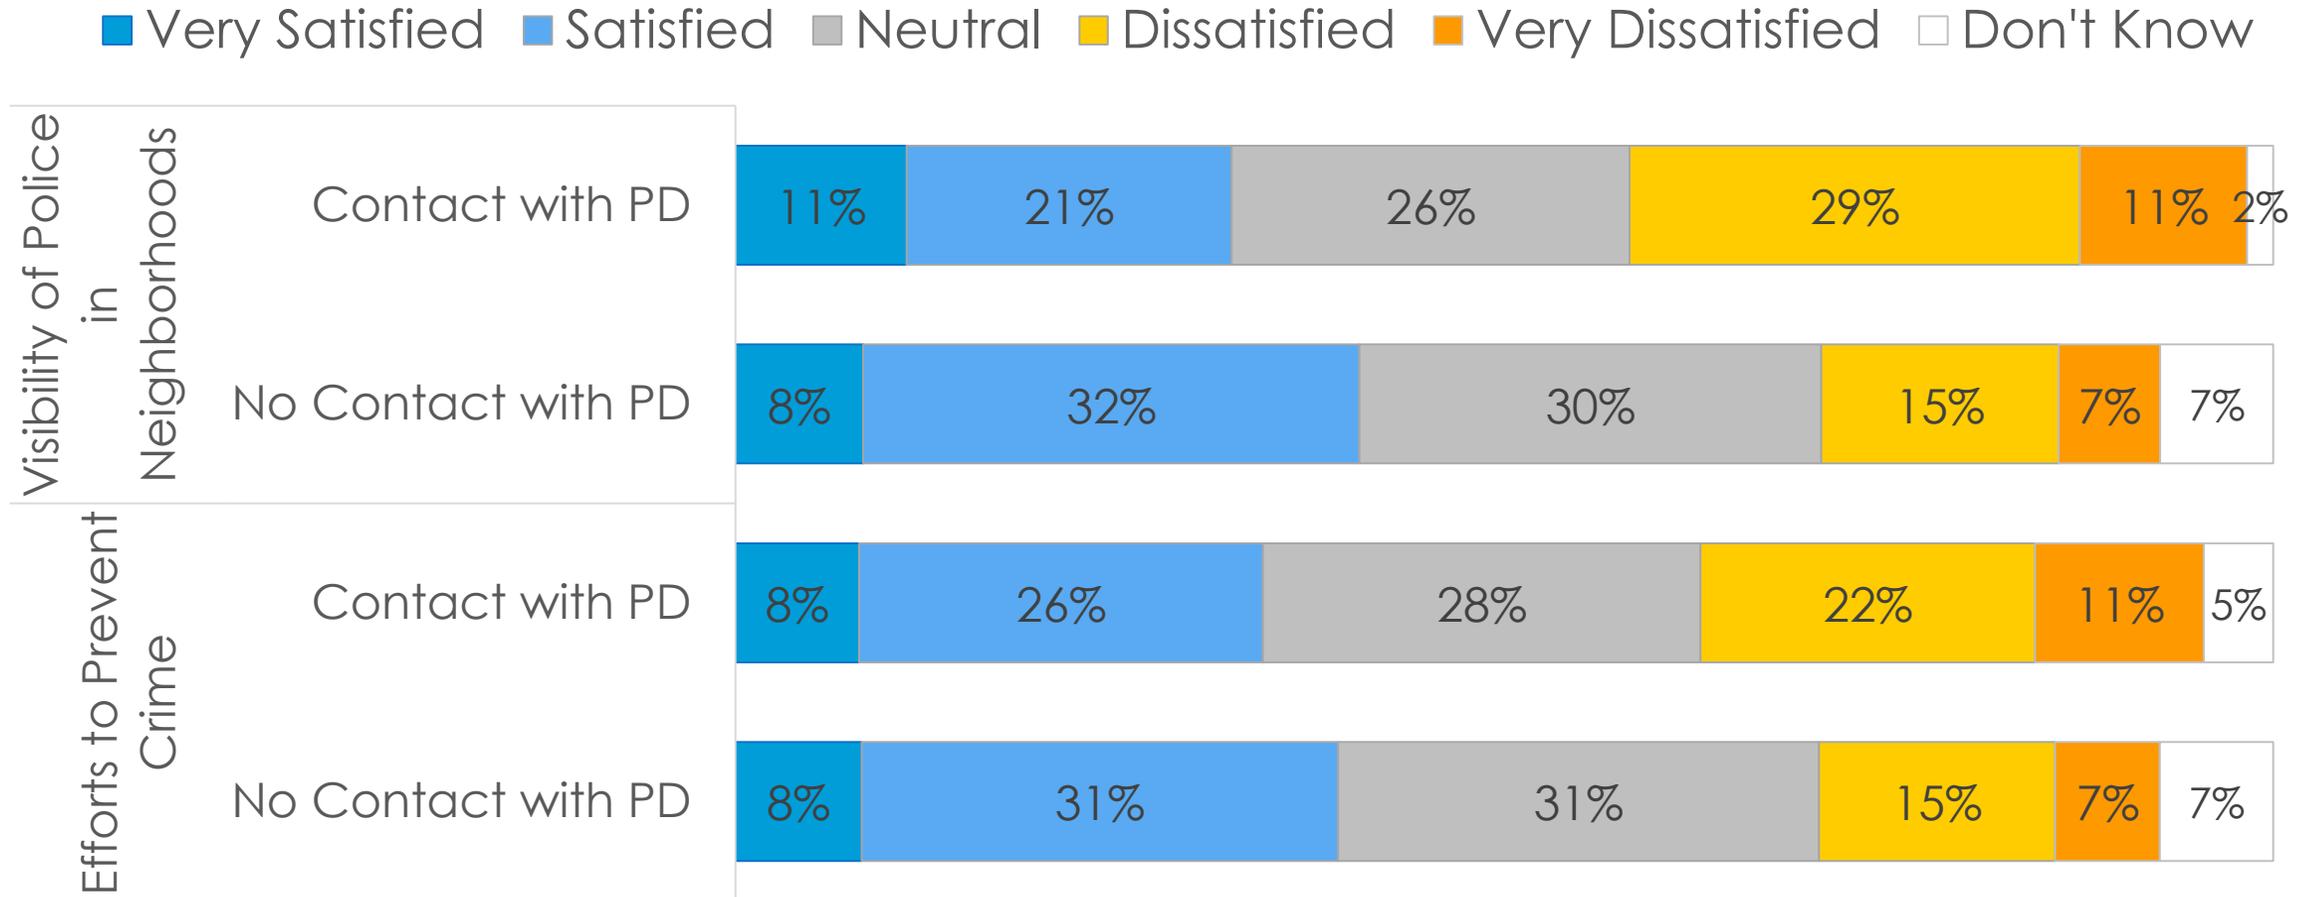

**34%** of residents 65+ years old

**52%** of residents 25-34 years old

report  
having  
contact  
with a  
KCPD  
officer in  
the  
previous  
year

# Satisfaction with Police Services by Contact with KCPD Officers

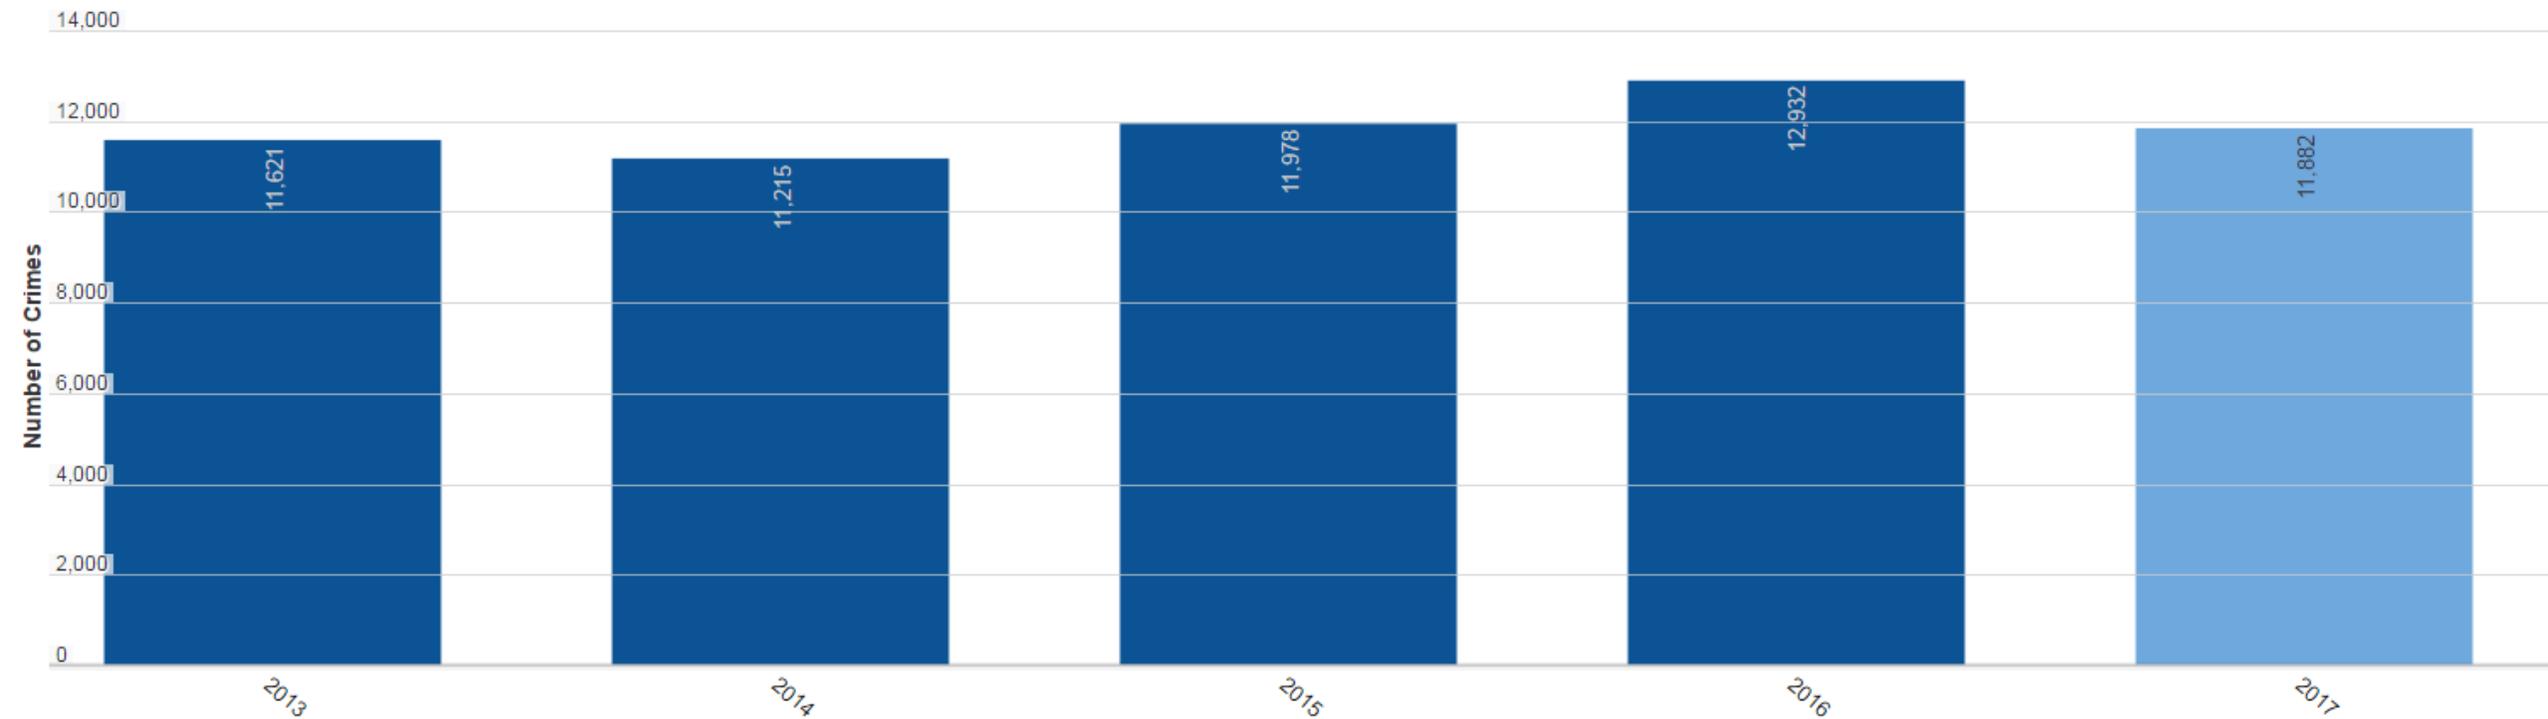

Those who report contact with KCPD are more likely to be dissatisfied

# Youth Crimes Against Persons

# Youth Crimes Against Property

# Crime Prevention & Community Outreach

# KCPD Community Engagement

- Beginning of May – Open Houses at all of our Patrol Stations
- April 19<sup>th</sup> – Youth Forum – partner with K.C. KS. & F.B.I.
  - Approximately 200 kids attended
  - Briefly spoke with Councilwoman Canady at event
  - Introduced youth to all aspects of law enforcement
- Challenge: overcoming public perceptions

# Video: Police Athletic League

# Targeted Intelligence/Enforcement Efforts

- Automated License Plate Readers
  - First deployed in 2010
  - Have funding to increase from 19 to over 50 by end of summer
- Security cameras
  - Currently have access to approximately 1,300
  - By the end of the year anticipate having access to approximately 2,000
  - Looking to establish a point of contact within the real time crime center to register for mapping of cameras or to share.
- National Integrated Ballistic Information Network
  - Received COMBAT funding for a tech to work with NIBIN, who will be hired next month
  - Can be used to automate analysis of a gun's fingerprint
- Participating with the DOJ through BJA and the OJP Diagnostic Center to bring on-site research & best practices in response to violent crimes.

# KC NoVA

**JACO & City  
Prosecutors**

**KCPD**

**ATF**

**FBI**

**KC NoVA**

**MO Probation &  
Parole**

**U.S. Attorney**

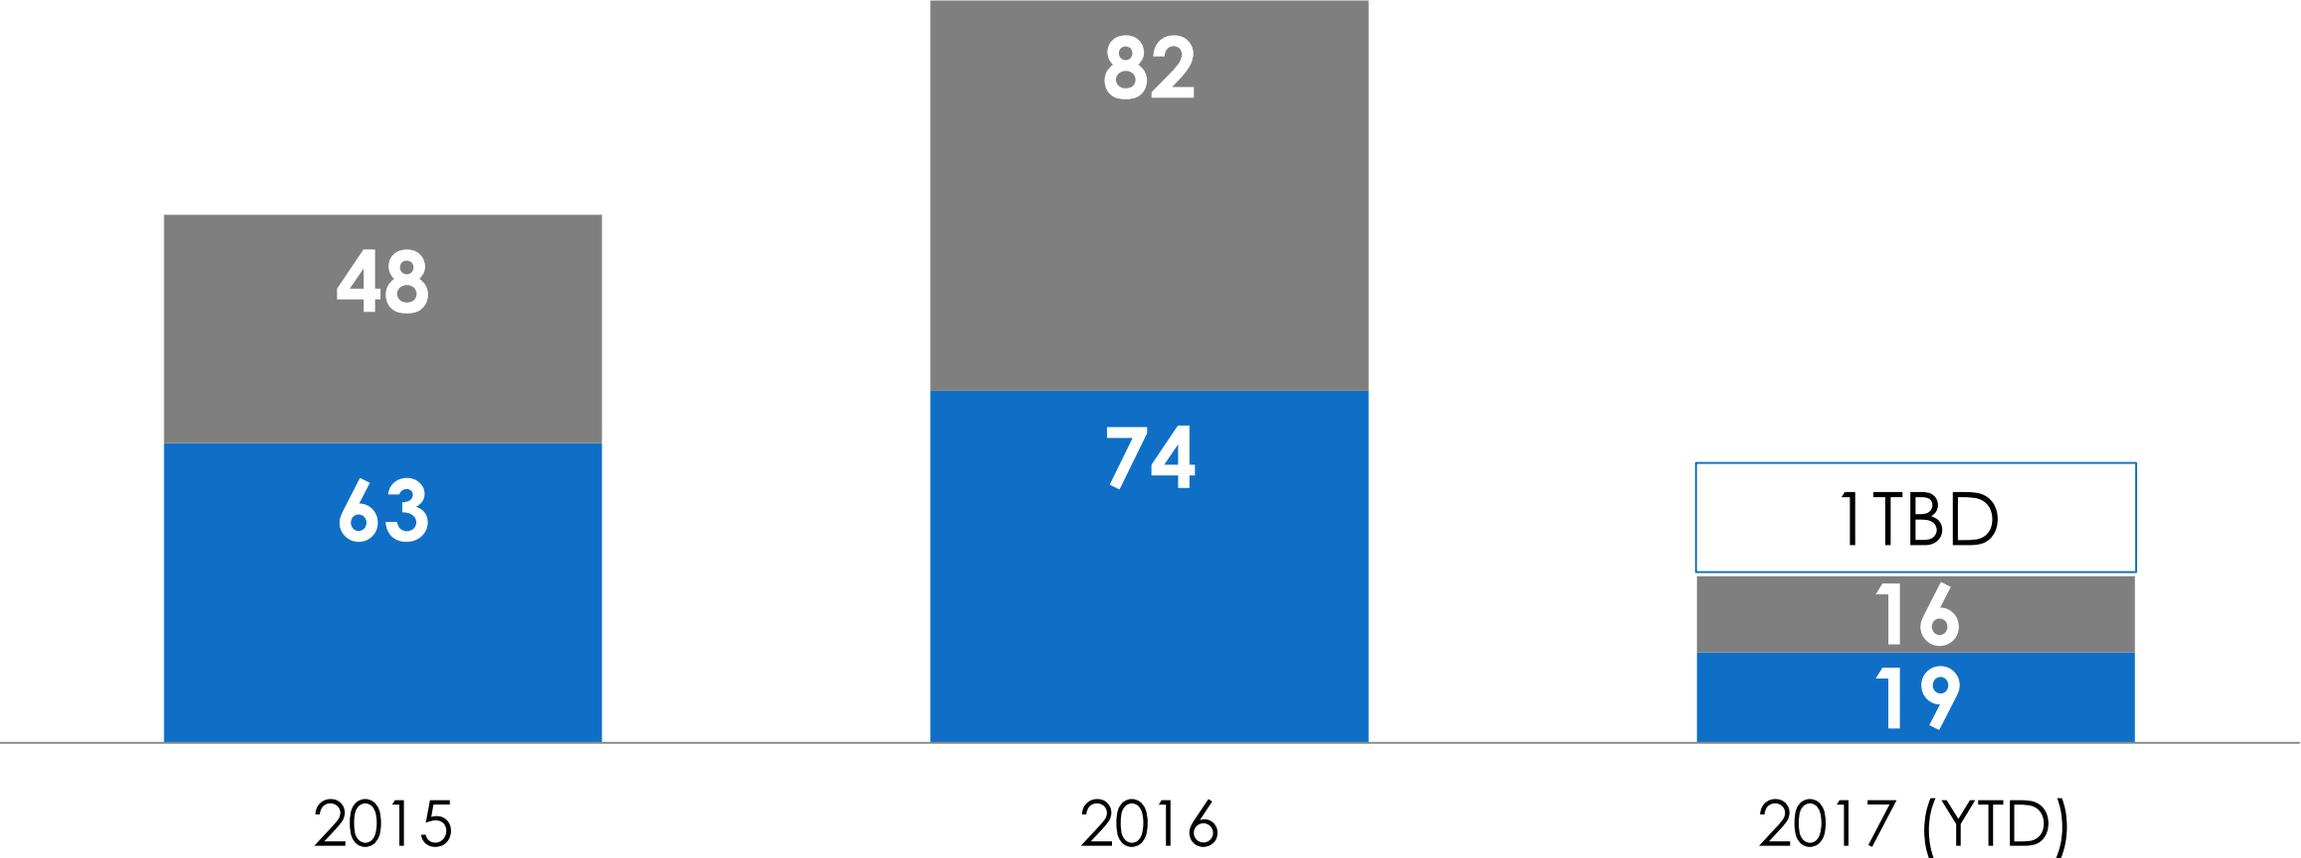

# The Goal of KC NoVA

- Reduce Homicides
  - 2017 (as of Apr. 25): 36 homicides
  - 2016: 129 homicides
  - 2015: 111 homicides
  - 2014: 82 homicides
  - 2013: 100 homicides
  - 2012: 106 homicides

# Homicides due to Group Related Violence

■ Group Related ■ Other

Source: KC NoVA

Calendar year

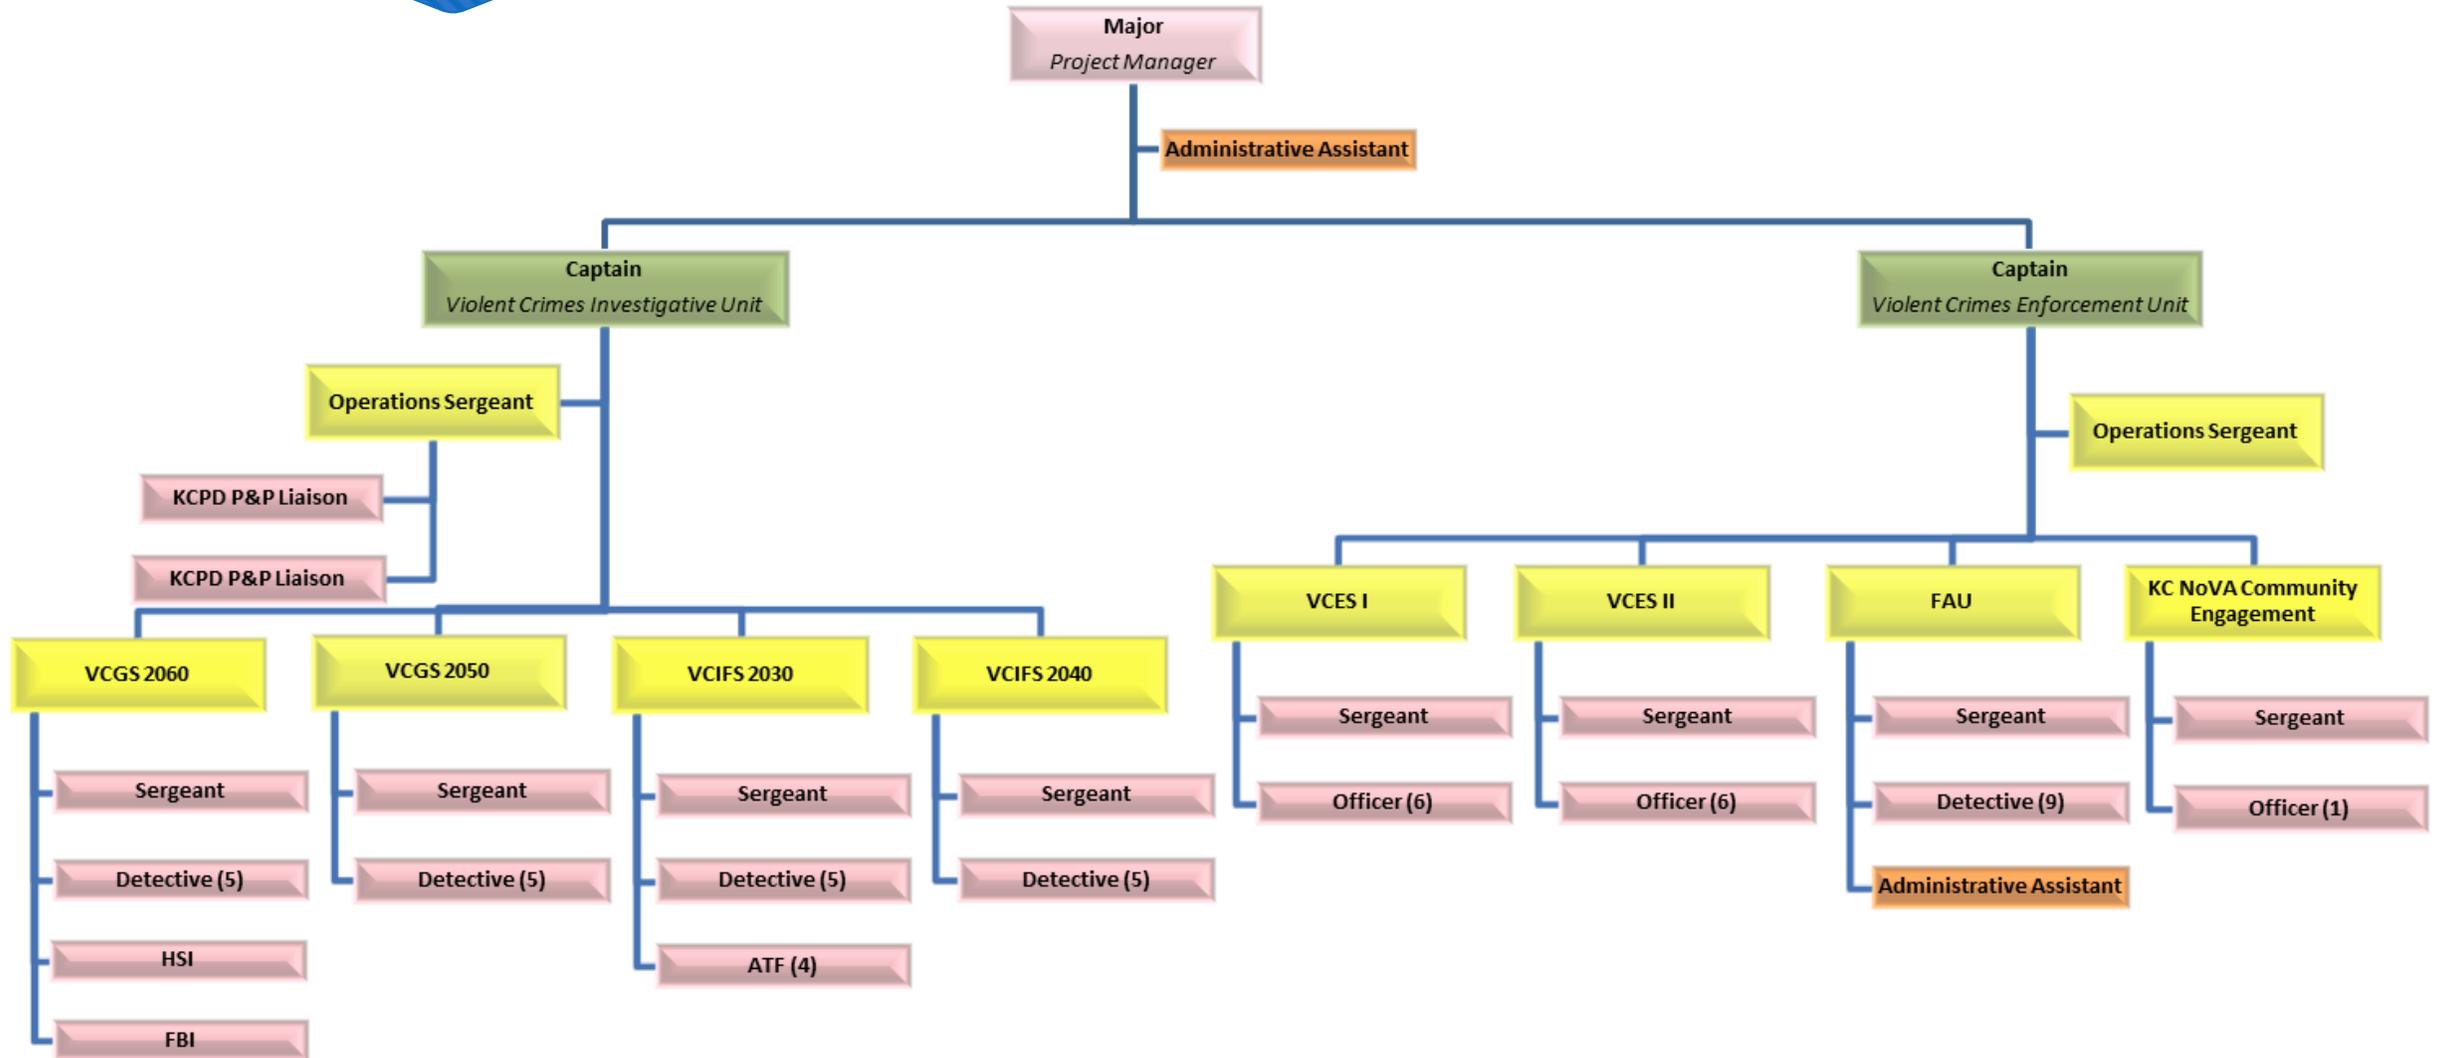

# Intelligence Gathering / Sharing

- **Draw intelligence** from police reports and FIF's – These individuals may be Suspects, Victims, Witnesses of Homicide/Aggravated Assaults and other Part 1 and 2 Crimes.
- **Develop and Share Intelligence** on Violent Groups/Gangs with all partnerships (internally and externally)
- **NoVA partners, KCPD Patrol, Investigative Units** and **other department elements** will attend Group Audit Meetings, Daily Intelligence Briefings and IRIS
- **Focused Enforcement - Prosecution** on group related homicides, the most violent groups and the Top 15 Prolific Offenders
- NoVA identified individuals receive special attention from this collaborative partnership to include: Enforcement/Investigation/ Prosecution/Supervision/**Social Services - Outreach**

# KC NoVA Call-ins & Messaging Efforts

- Conduct notifications via “call-in” to key individuals of all groups putting them “on notice” that violence will not be tolerated and has severe consequences to the first group that commits a murder and the most violent.
  - ✓ Identify at least two (2) individuals from each group
  - ✓ Key individuals on supervision based on Social Network Analysis
  - ✓ The invitees typically total over 100, with an average 20% attendance rate
- Risk for Retaliations are also conducted in an effort to reduce retaliatory violence between groups and group members following a violent crime. In 2016, 56 were completed and approximately 4 have been completed in 2017

**\*January 1, 2017 to March 30, 2017**

# Objective 10

Investigate the feasibility of body cameras for the Kansas City Police Department.

*(November 2017)*

# Body Cameras Pilot: Fall 2016

## Technology

- 30 Echo model body worn cameras from COBAN Technologies, our vendor for in-car cameras

## Members

- Rotated between CPD, SPD, EPD, TEU, TRT, and MPD
- Included bike patrol, foot patrol, and motorcycle officers
- 201 total members piloted

## Next Steps

- Currently evaluating storage needs for deployment (initial estimate: 3.16 petabytes) and policy development
- Report to BOPC will be forthcoming

# Emergency Services

## Objective 3

Measure the impact and effectiveness of the Kansas City Assessment and Triage Center (KCATC). *(July 2017)*

# Kansas City Assessment and Treatment Center (KC-ATC)

What is it?

- Mental-health and substance abuse triage facility

How does it work?

- 16 beds
- Patients stabilized and referred for treatment and services within 23 hours or less.
- Open only to KCPD, participating hospital EDs, and EMS referral only

When did it open?

- Monday, October 31, 2016

Who is involved?

- Created through partnership between Municipal Court, KCPD, KCFD, Missouri Department of Mental Health, the Missouri Hospital Association, Ascension Health and several area hospitals
- Operated by ReDiscover

Where is it?

- 2600 E. 12<sup>th</sup> Street

Why does it exist?

- Goal: to provide rapid triage, stabilization and follow-up services

# Intake at KC-ATC (October 31, 2016 - March 31, 2017)

**884** clients served

**648** unduplicated

**74%** male

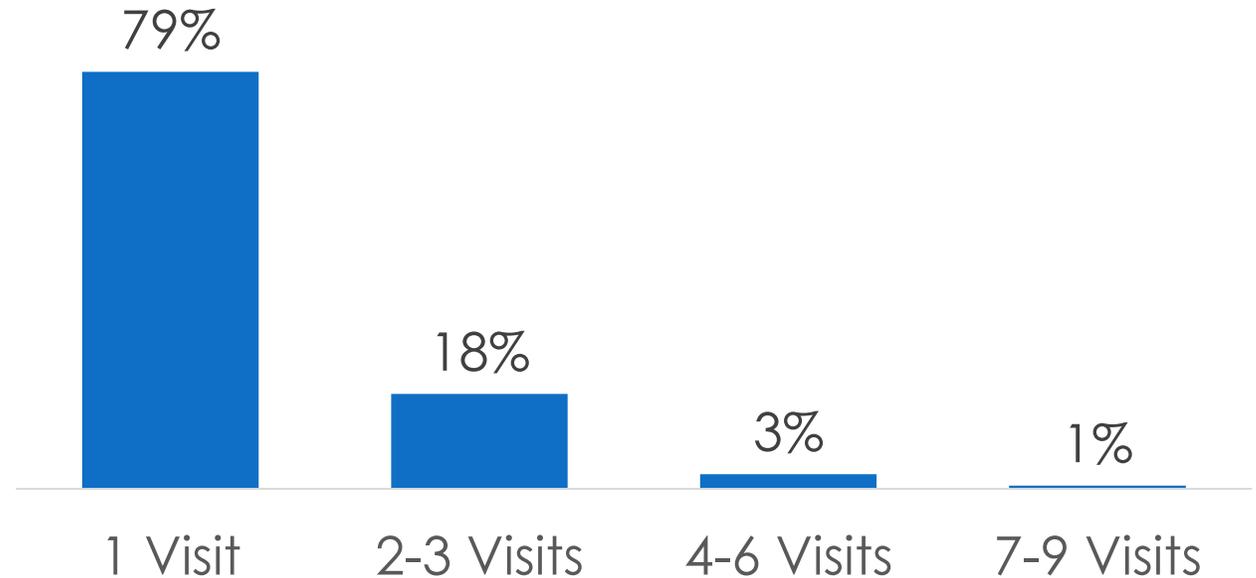

**63%** homeless

**67%** unemployed

**83%** 25-59 years old

13-17	18-24	25-35	36-44	45-59	60+
.1%	11.4%	29.4%	21.7%	31.4%	5.4%

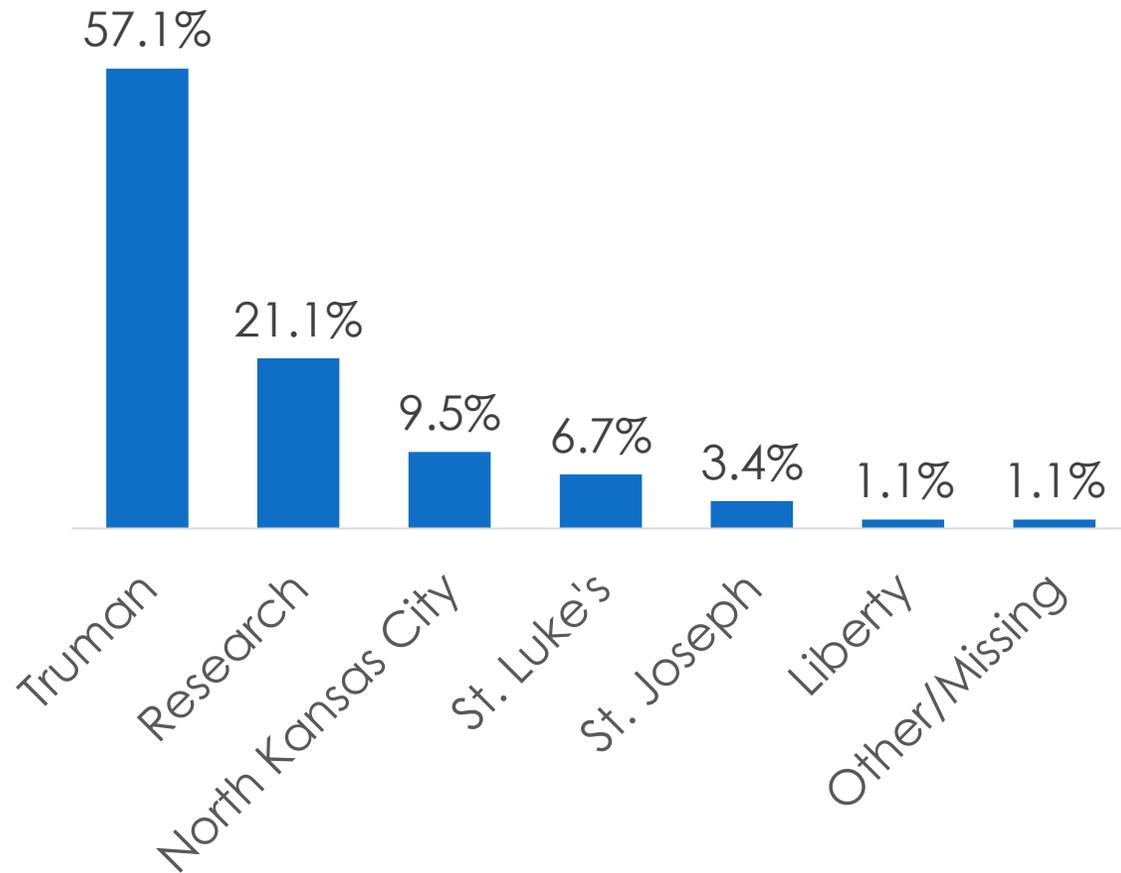

Visits per Client

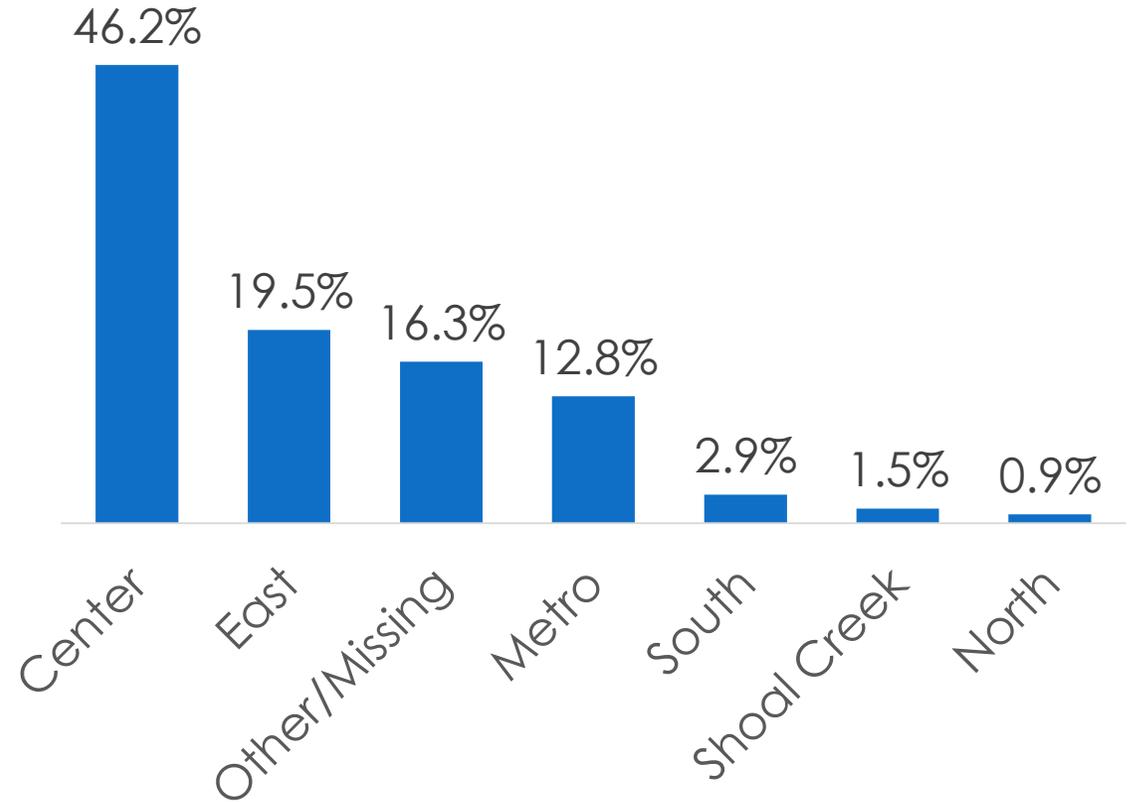

# Source of Clients for KC-ATC

(October 31, 2016 - March 31, 2017)

**61%** from Emergency Departments

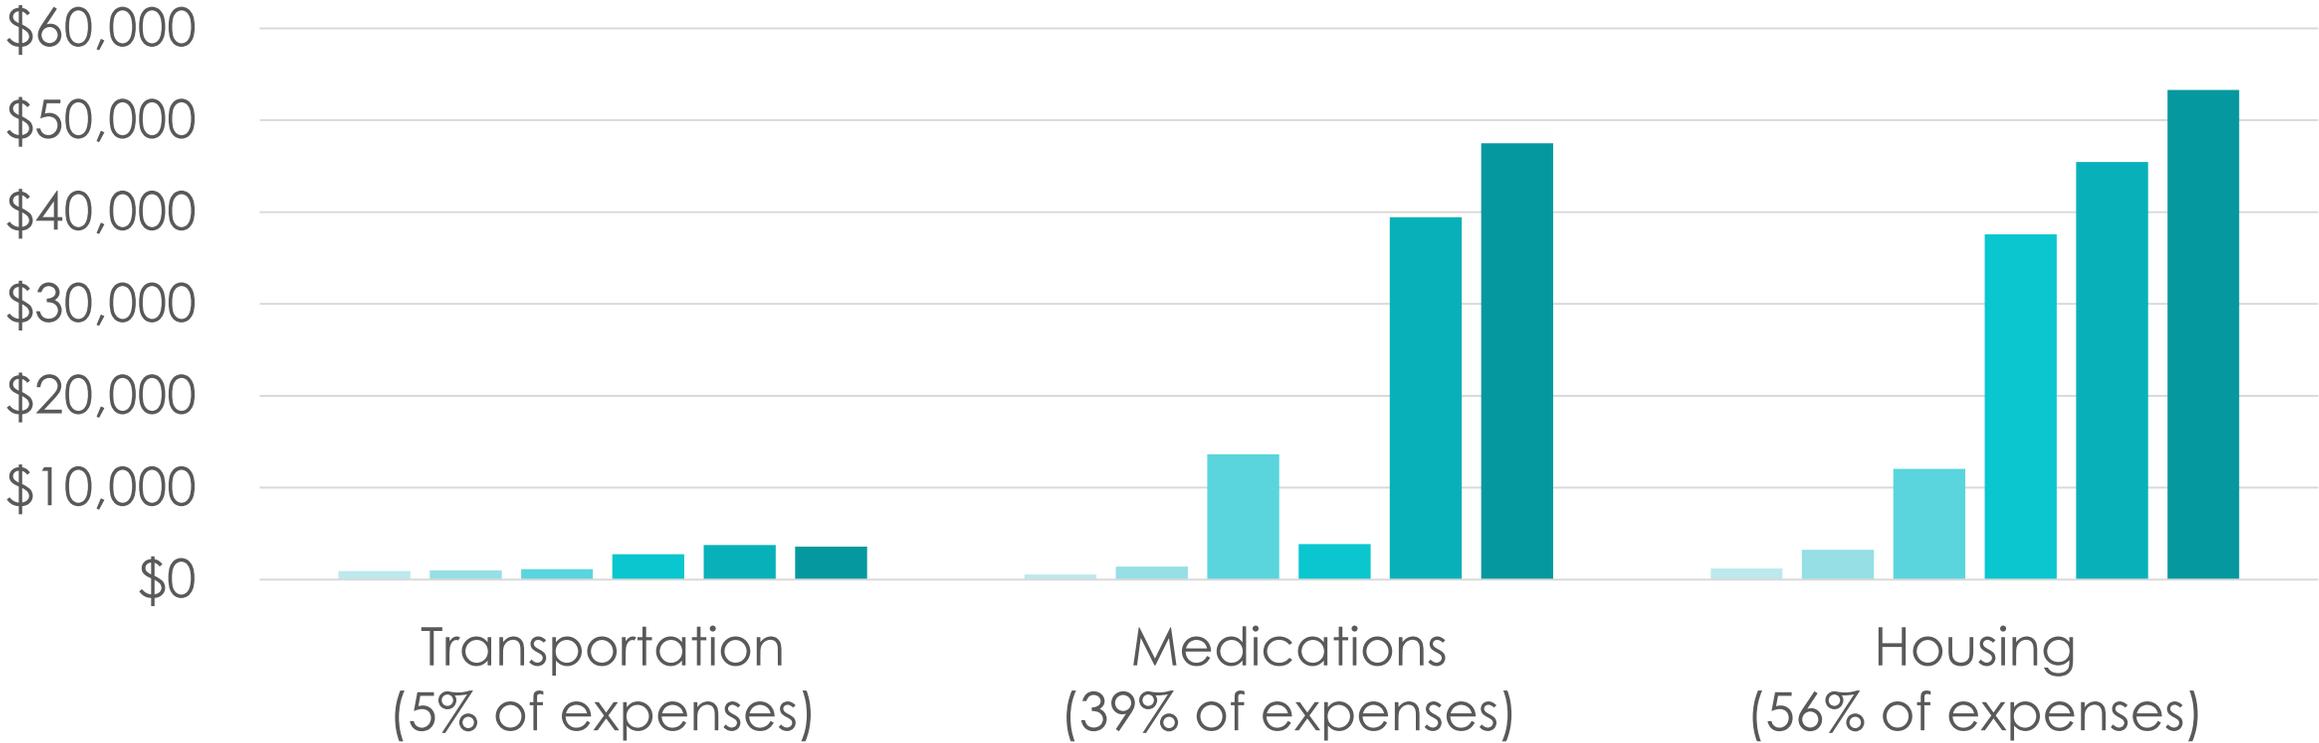

**39%** from KCPD Patrol Divisions

# KC-ATC Outputs and Outcomes

## Monthly Expenses by Type

October November December January February March (estimated)

5.7% of clients transported to Emergency Departments

# Next Steps

- KC-ATC has been in operation for six months
- Outside evaluation has begun
- Data will be examined from KCPD and participating hospital EDs to quantify the number of interactions from KC-ATC clients after their visit to KC-ATC and subsequent referral(s) to treatment or other services
- Report will be available later this year

## Objective 7

Develop and implement the Ground Emergency Medical Transportation (GEMT) legislation that amended Chapter 208, RSMO to provide for supplemental reimbursement for ambulance services to MO HealthNet participants. (2018)

# Ground Emergency Medical Transportation (GEMT)

What is it?

- “GEMT” is a program developed in partnership between Missouri public EMS providers and Missouri’s Department Social Services. The initiative began in 2015 and was led by the Missouri Association of Fire Chiefs (MAFC).

What is the current status?

- GEMT became law on August 28, 2016.
- The MAFC has been working with the MO DSS to develop a detailed plan to submit to Center for Medicaid/Medicare Services (CMS) for approval.
- The draft plan was sent on April 24, 2017. A finalized plan submission is anticipated for May 2017.

What are the next steps?

- CMS is on a specific timeline to ask clarifying questions about the finalized plan. Potential CMS approval by early 2018.

## Objective 8

Evaluate and identify areas of opportunity in the Fire Department's emergency response delivery system to ensure the best patient outcomes.

*(July 2017)*

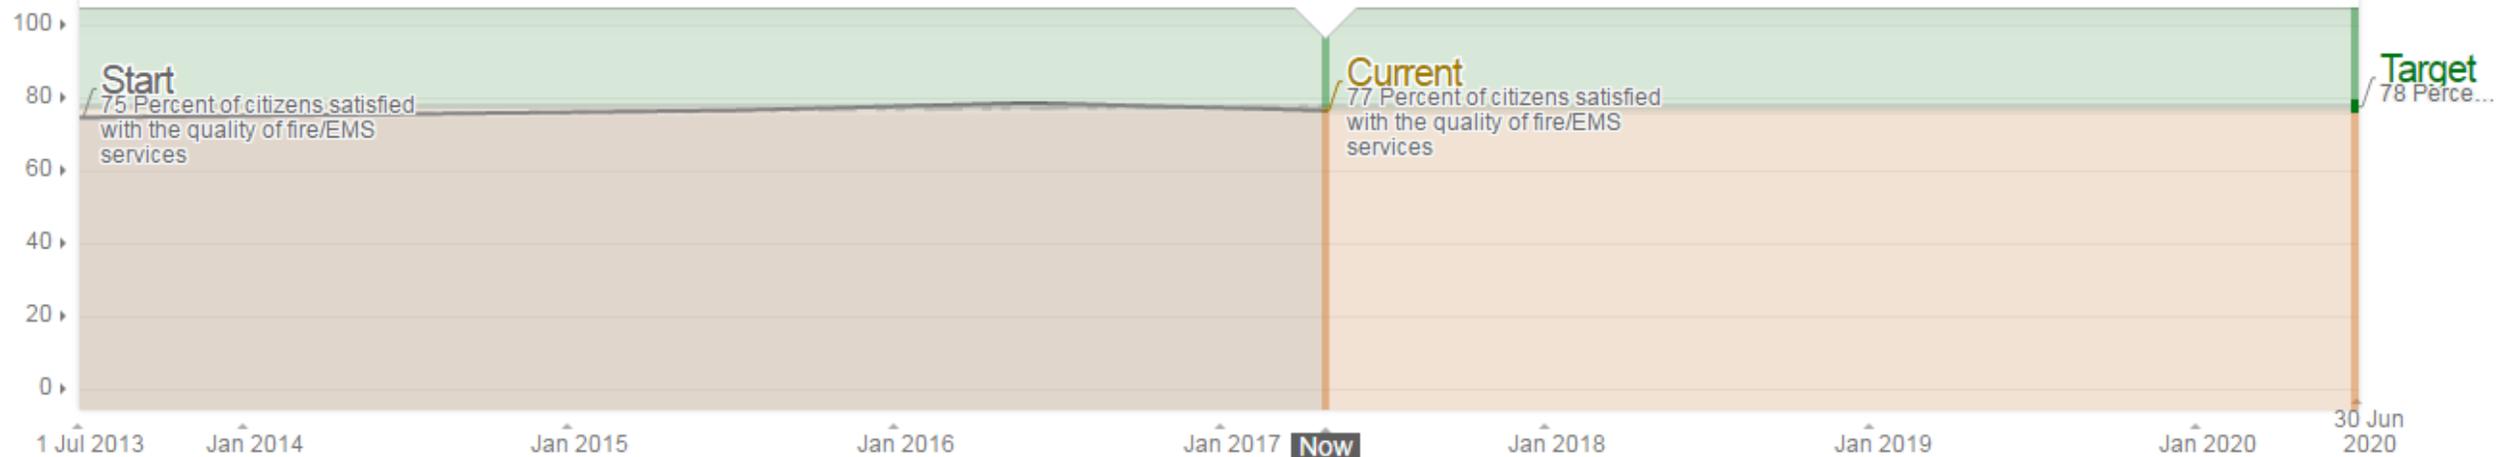

# Citizen Satisfaction With Fire/EMS Services

**77** Percent of citizens satisfied with the quality of fire/EMS services  
Current as of May 2017

**78** Percent of citizens satisfied with the quality of fire/EMS services  
Jun 2020 Target

Near Target

**Satisfaction with Quality and Timeliness of EMS Response are unchanged; users continue to be more satisfied than non-users**

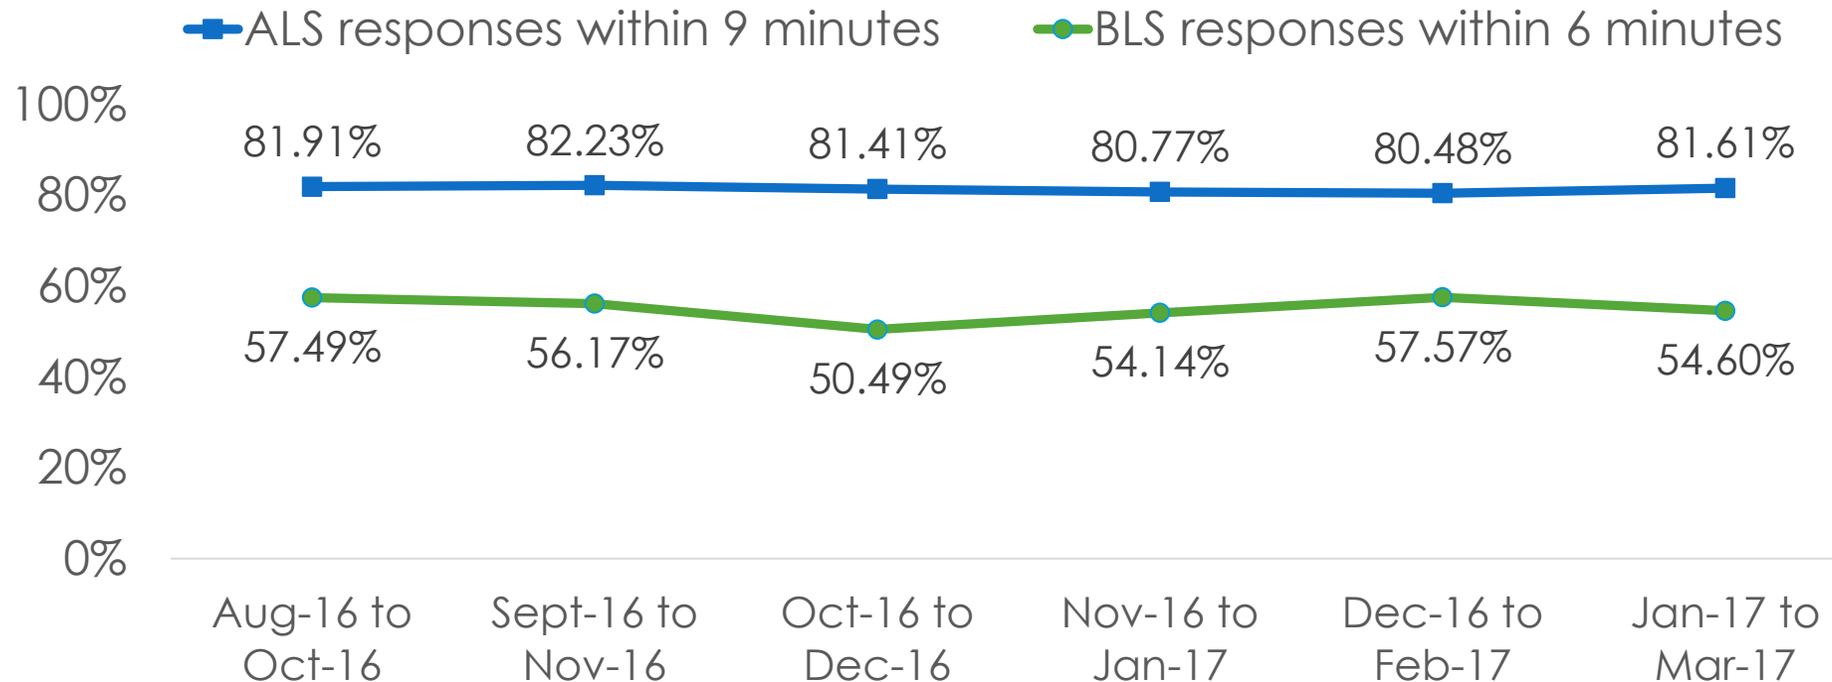

# ALS and BLS Response Times

Latest data:  
January-  
March 2017

**✘ Advance Life Support  
Response Time**  
**81.61**  
Percent of ALS responses within 9 minutes

**✘ Basic Life Support (BLS)  
Response Time**  
**54.6**  
Percent of BLS responses within 6 minutes

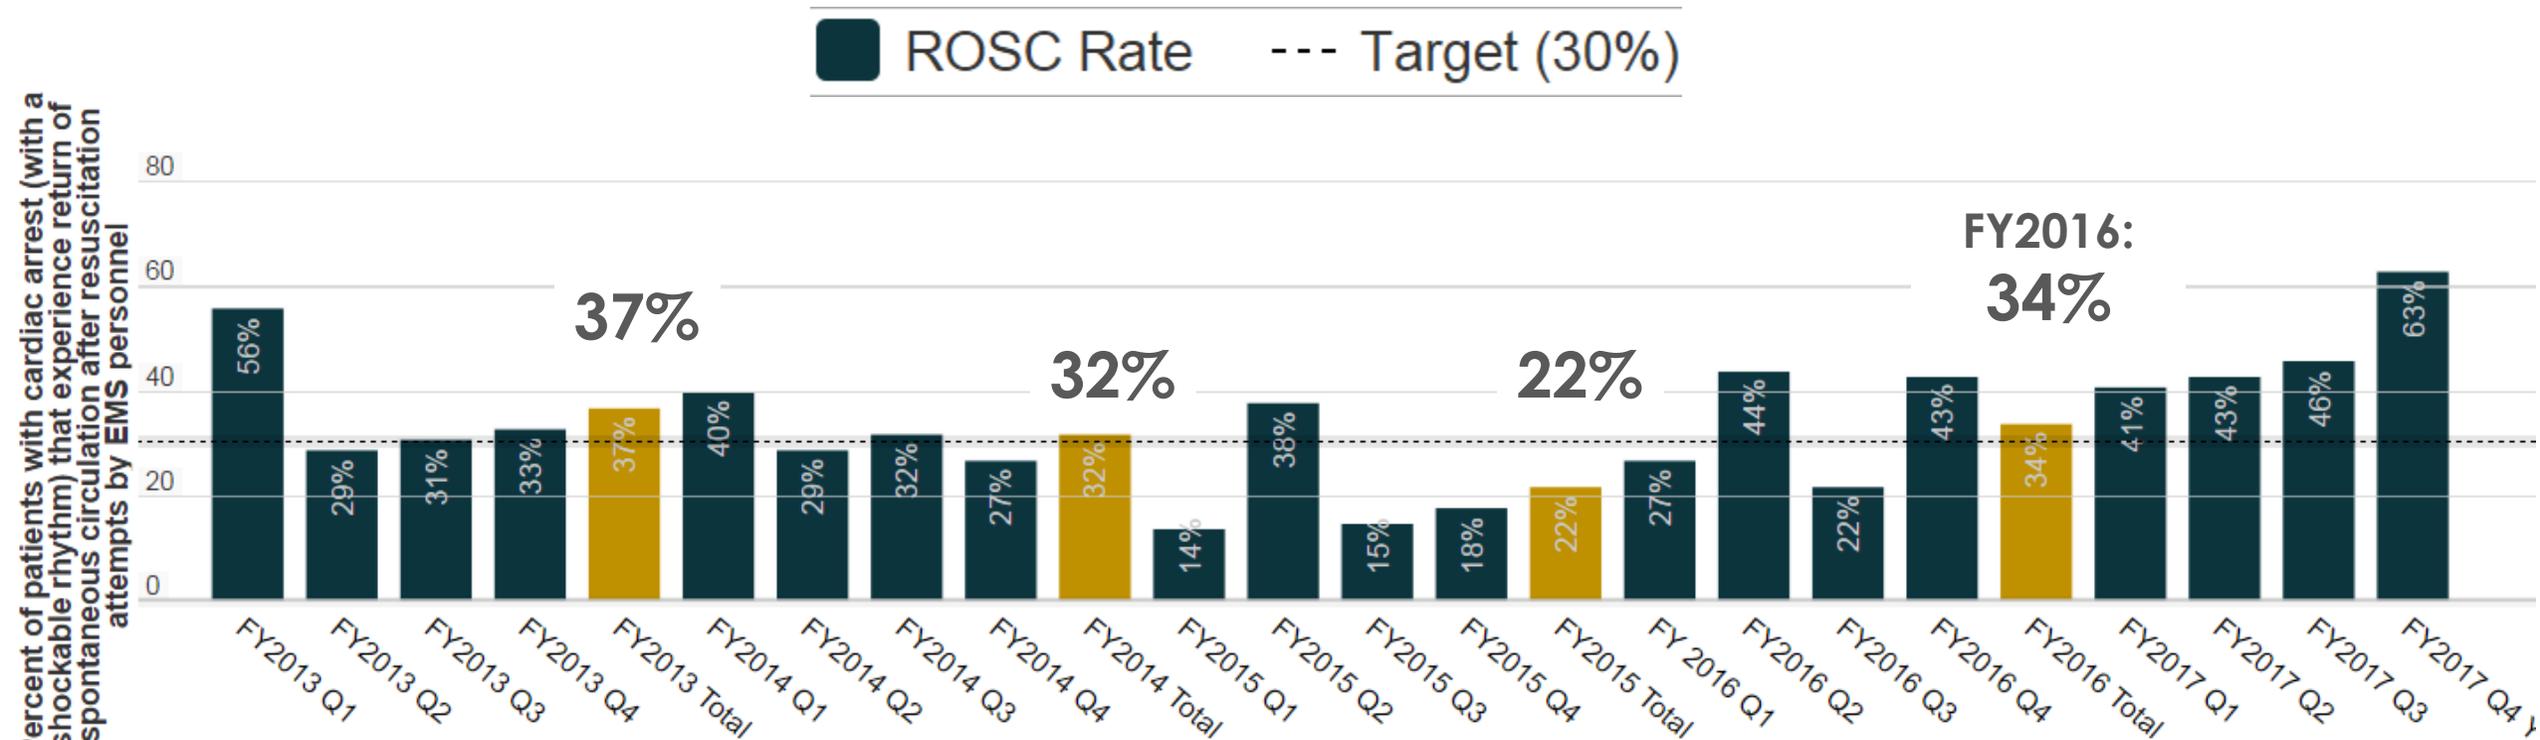

Since  
November  
KCStat:

# KCFD Training Systems Update

- Supported by \$832,701 grant from FEMA
- Centers on a highly sophisticated, interactive online platform (Target Solutions, a subsidiary of NFPA)
  - Extensive library of fire, rescue, EMS, safety, prevention topics
  - Capacity to add locally produced modules as well
  - Extensive capacity to manage, track, and report training activity, including license and certification
- Skills level training supported by several mobile training units
  - These move through system to reduce time out of service and costs of travel to fixed sites
  - Include simulation systems to support an extensive array of “hands on” training
  - Command simulation equipment
  - New, state of the art simulation equipment for medical training also included
  - Mobile driver training simulator

# Patient Outcomes From EMS Care: Return Of Spontaneous Circulation (VF/VT Only)

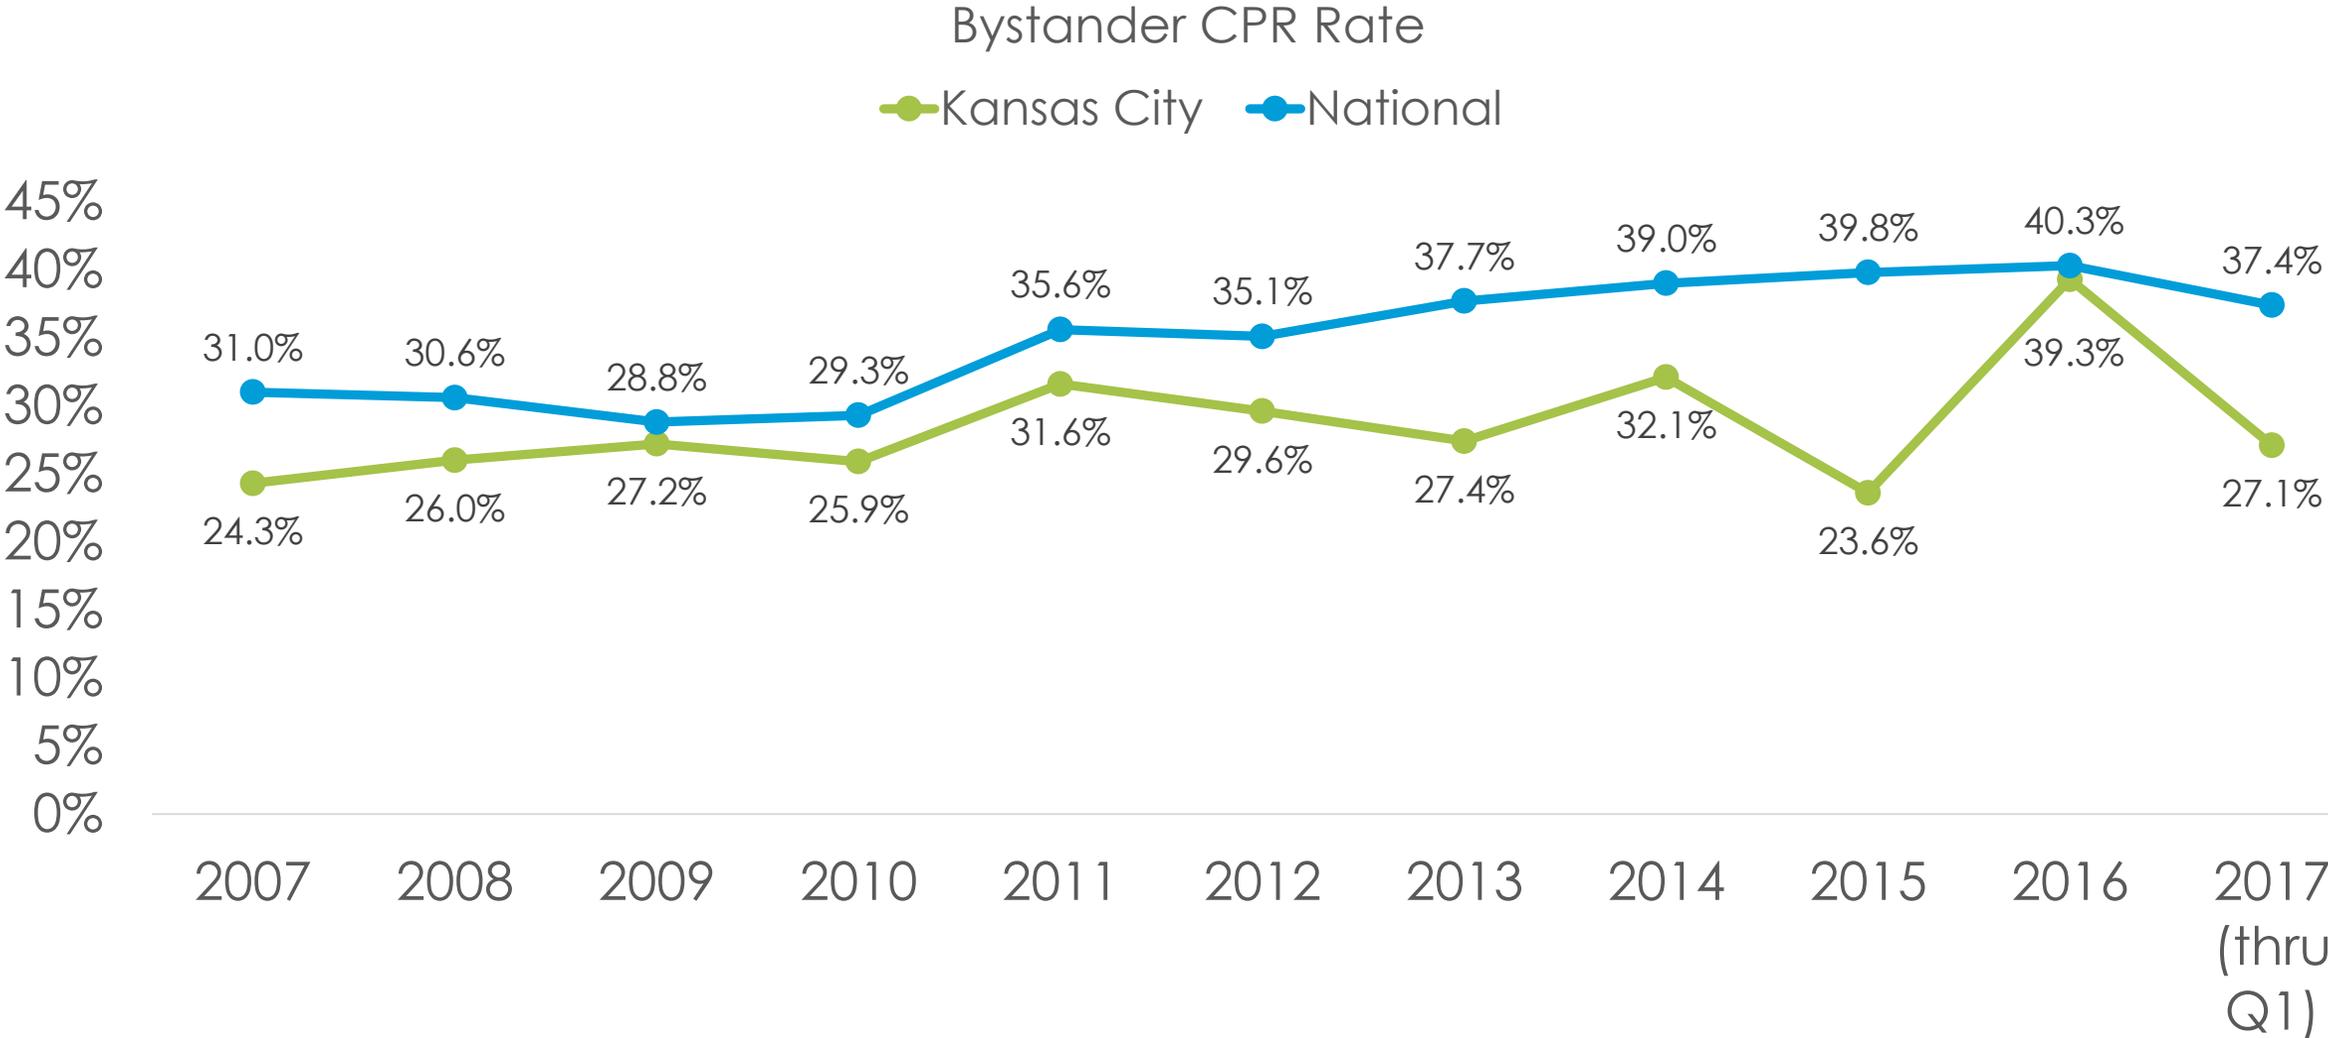

Definition of ROSC-Return of Spontaneous Circulation, i.e. return of a pulse:  
EMS brought patient to hospital with a pulse, not that they eventually left the  
hospital alive

# Cardiac Arrest Survivability By Category

Cardiac Arrest Category	2011	2012	2013	2014	2015	2016	2017 Natl Avg Thru Q1 (unaudited)	2017 Thru Q1
Cardiac Etiology w/ Resuscitation Survival Rate	11%	9%	7%	6%	8%	8%	5%	13%
Bystander Witnessed Survival Rate	22%	14%	13%	9%	14%	12%	9%	25%
Unwitnessed Survival Rate	6%	4%	3%	0.5%	1%	3%	2%	2%
Utstein Survival Rate	28%	34%	26%	21%	33%	29%	19%	33%
Utstein Bystander Survival Rate	23%	44%	38%	29%	52%	32%	20%	60%

Source: Office of EMS Medical Director

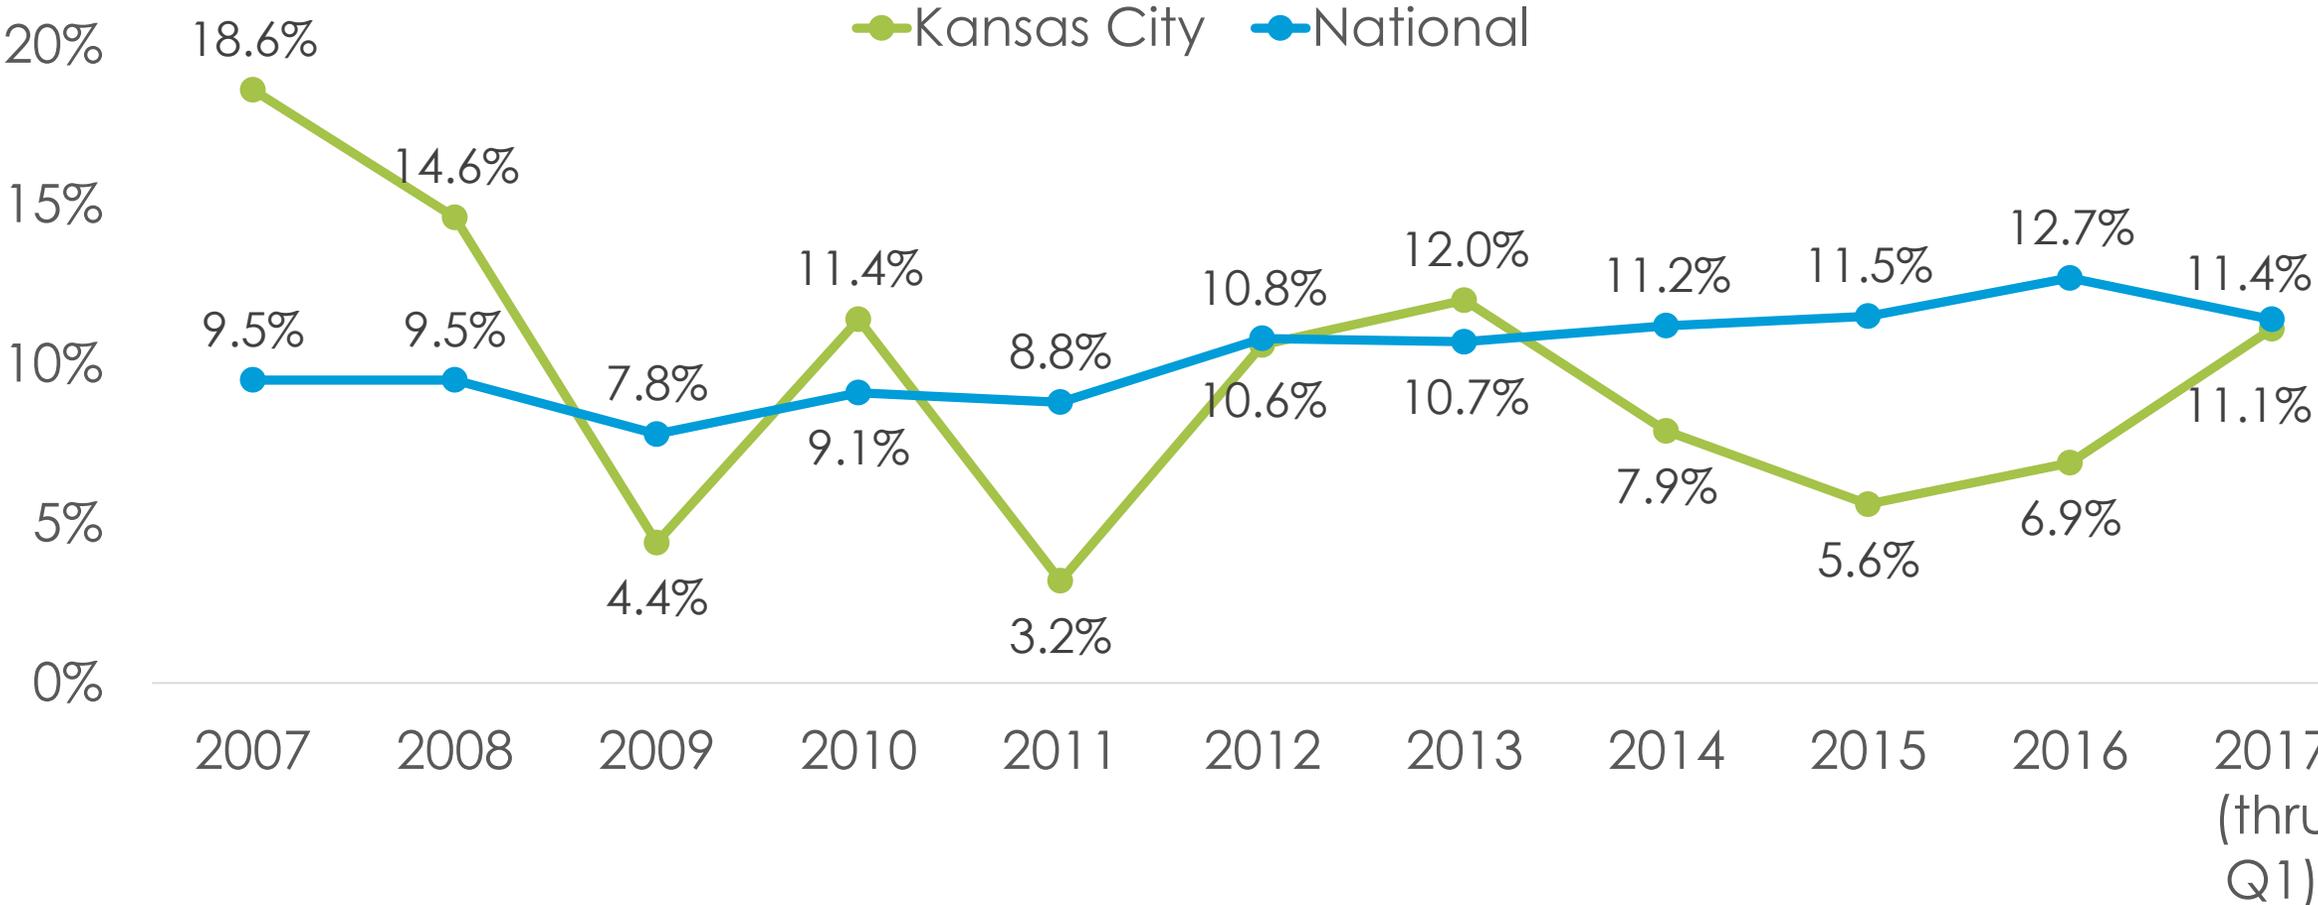

# Bystander CPR Rate: KC v. Nation

Source: Office of EMS Medical Director

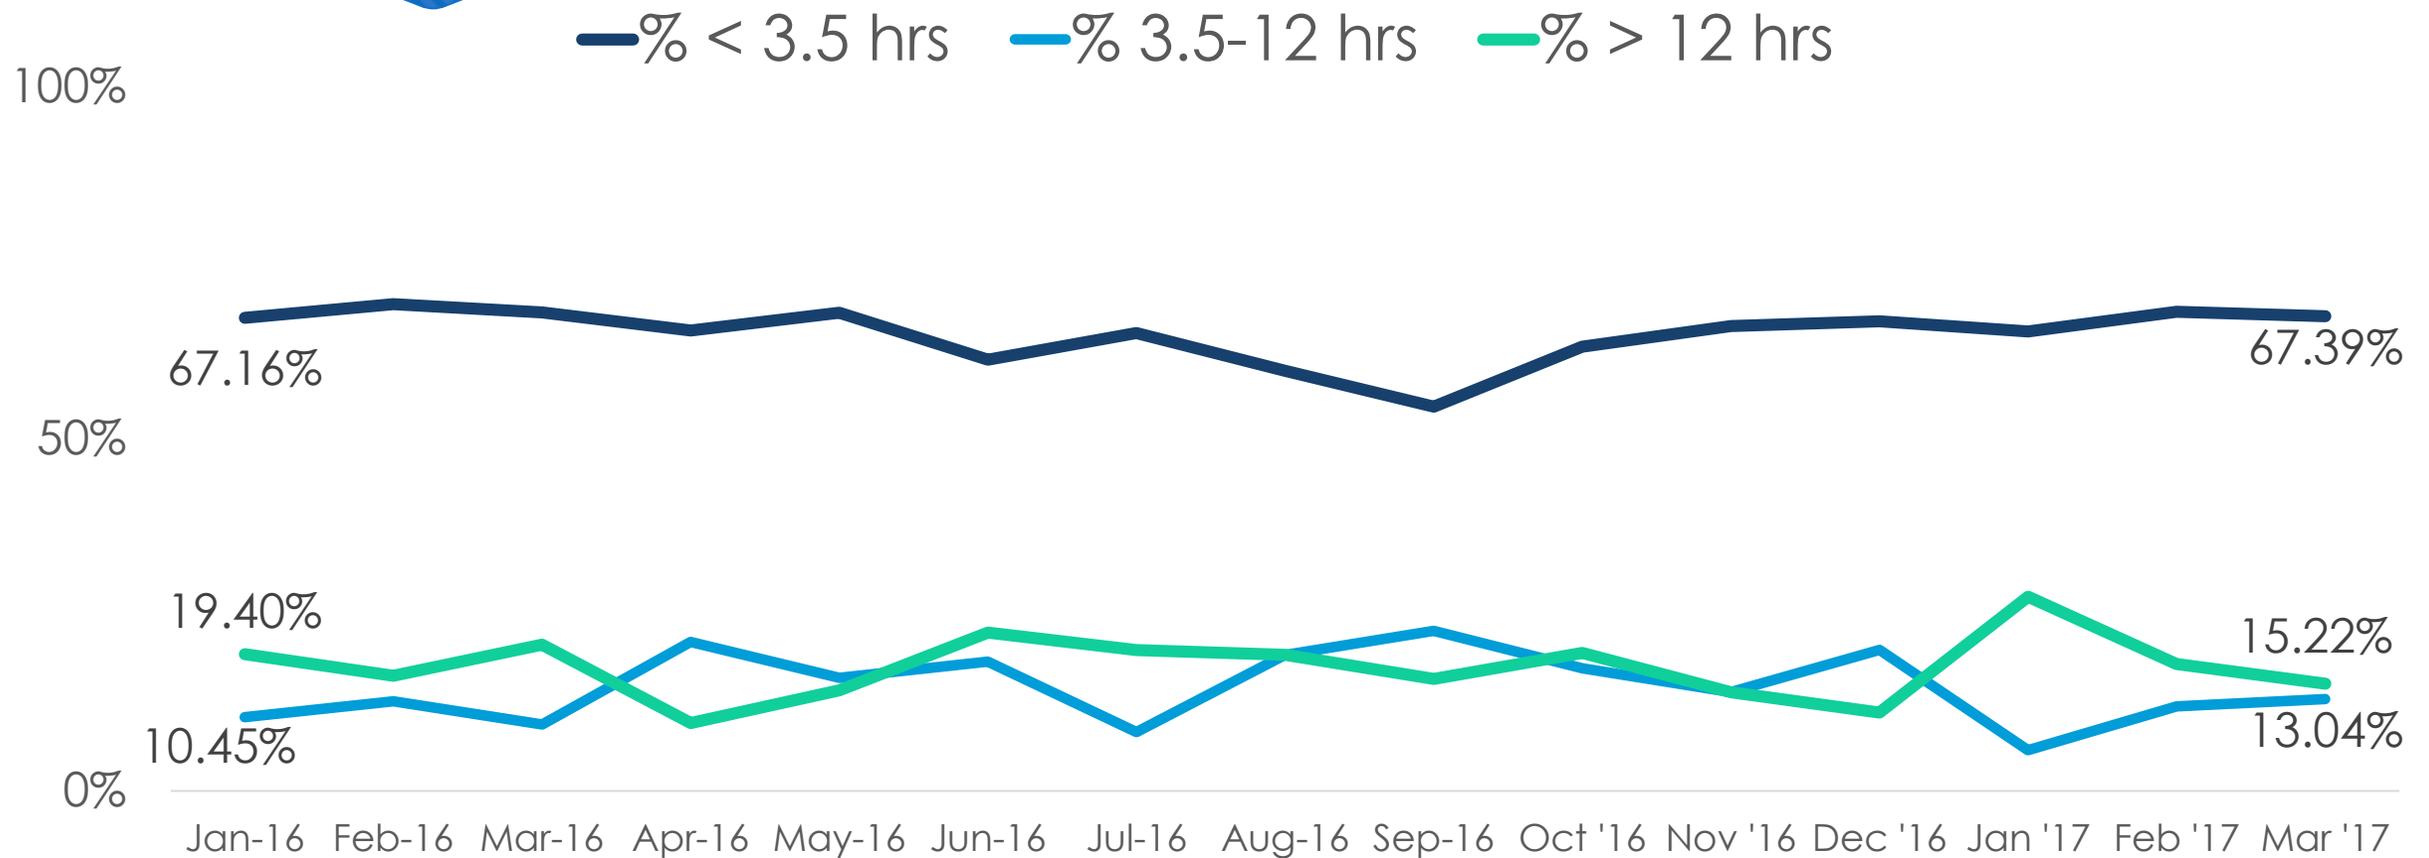

# Public AED Rate: KC v. Nation

Percentage of presumed cardiac caused cardiac arrests in which the public utilizes an Automatic External Defibrillator (AED)

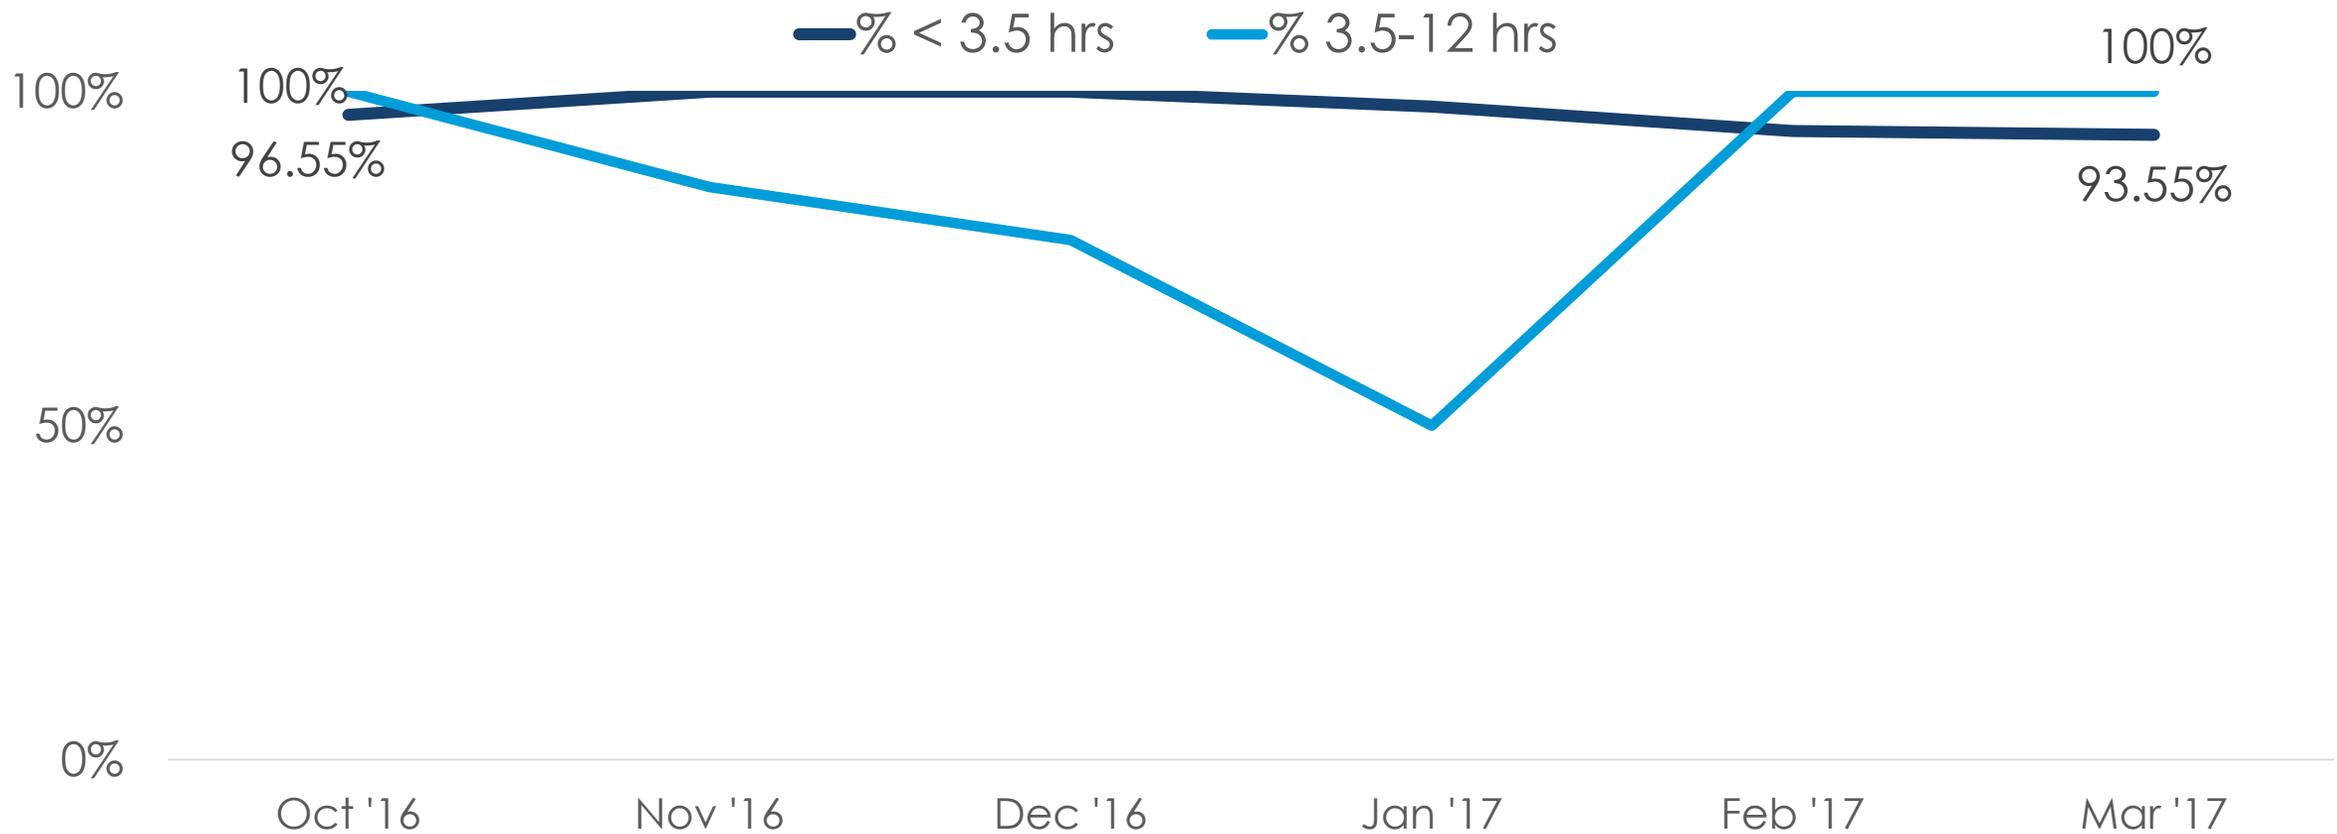

Source: Office of EMS Medical Director

# Stroke: Time of Onset/Last Seen Normal

**Why this matters:** This is how EMS records the “time of onset” of stroke symptoms; it is crucial for determining if a patient can receive the “clot-busting” medication

# Stroke: Correct Destination Based on Known Time of Onset/Last Seen Normal

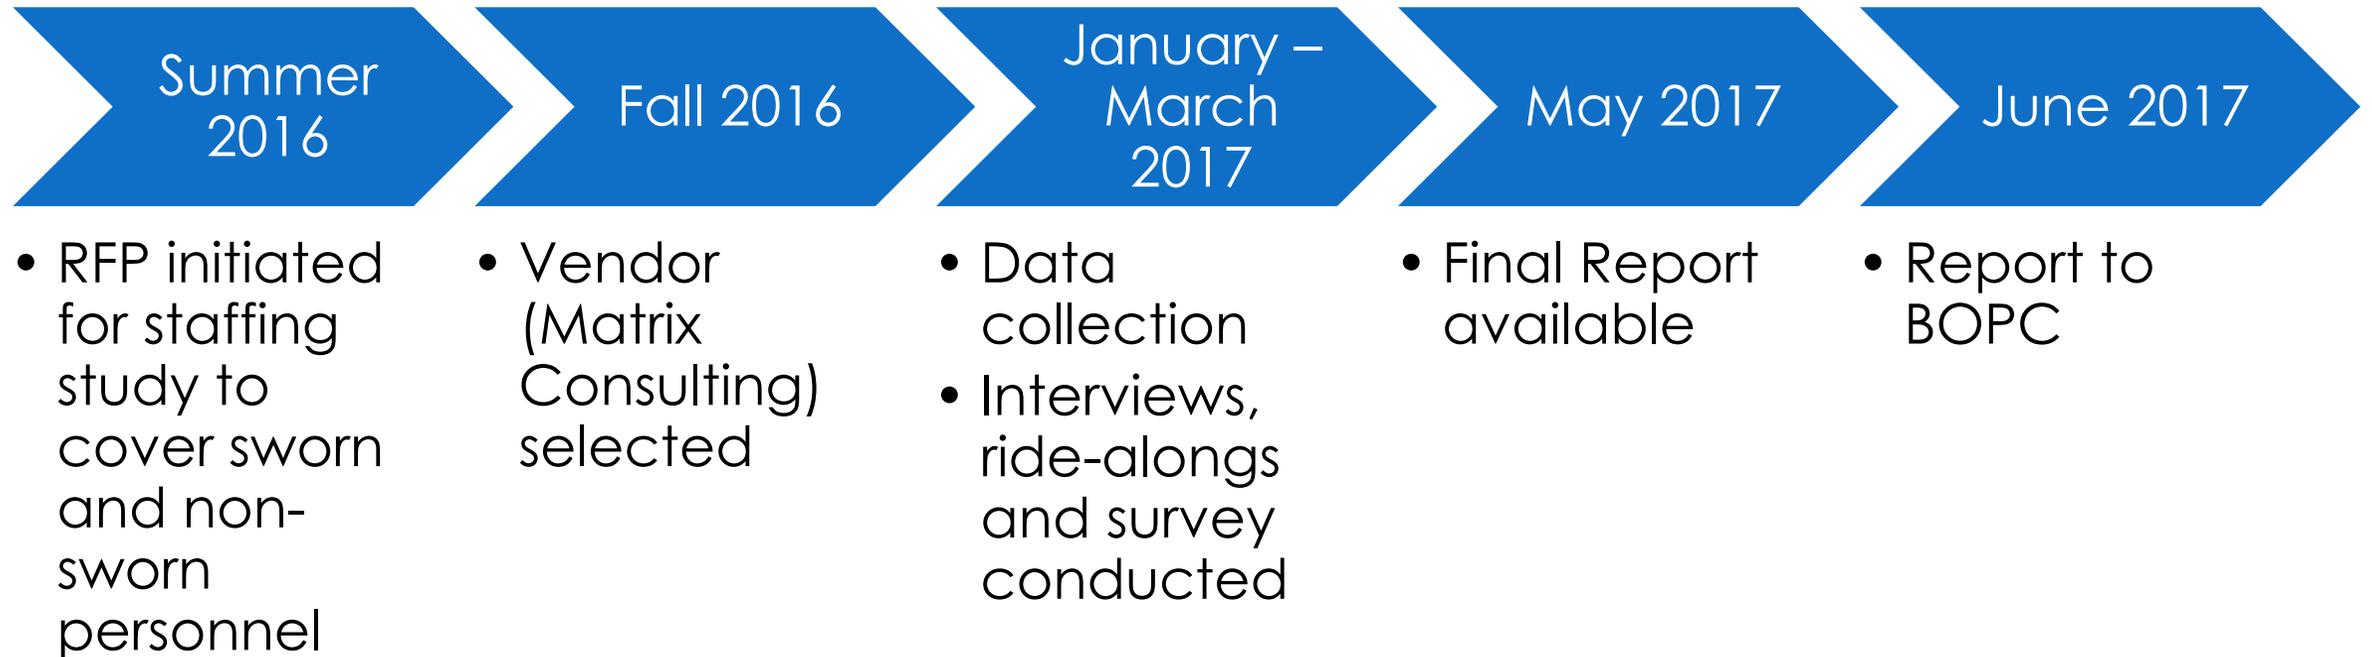

**Why this matters:** Ensures patients arrive at a hospital that is able to rapidly initiate the appropriate stroke therapy whether utilizing the clot-busting medication (tPA), or a “clot retrieval” technique for a larger blood vessel occlusion.

# Objective 1

Complete a Kansas City Police Department staffing study and develop a multi-year plan to implement the approved recommendations.

*(January 2017)*

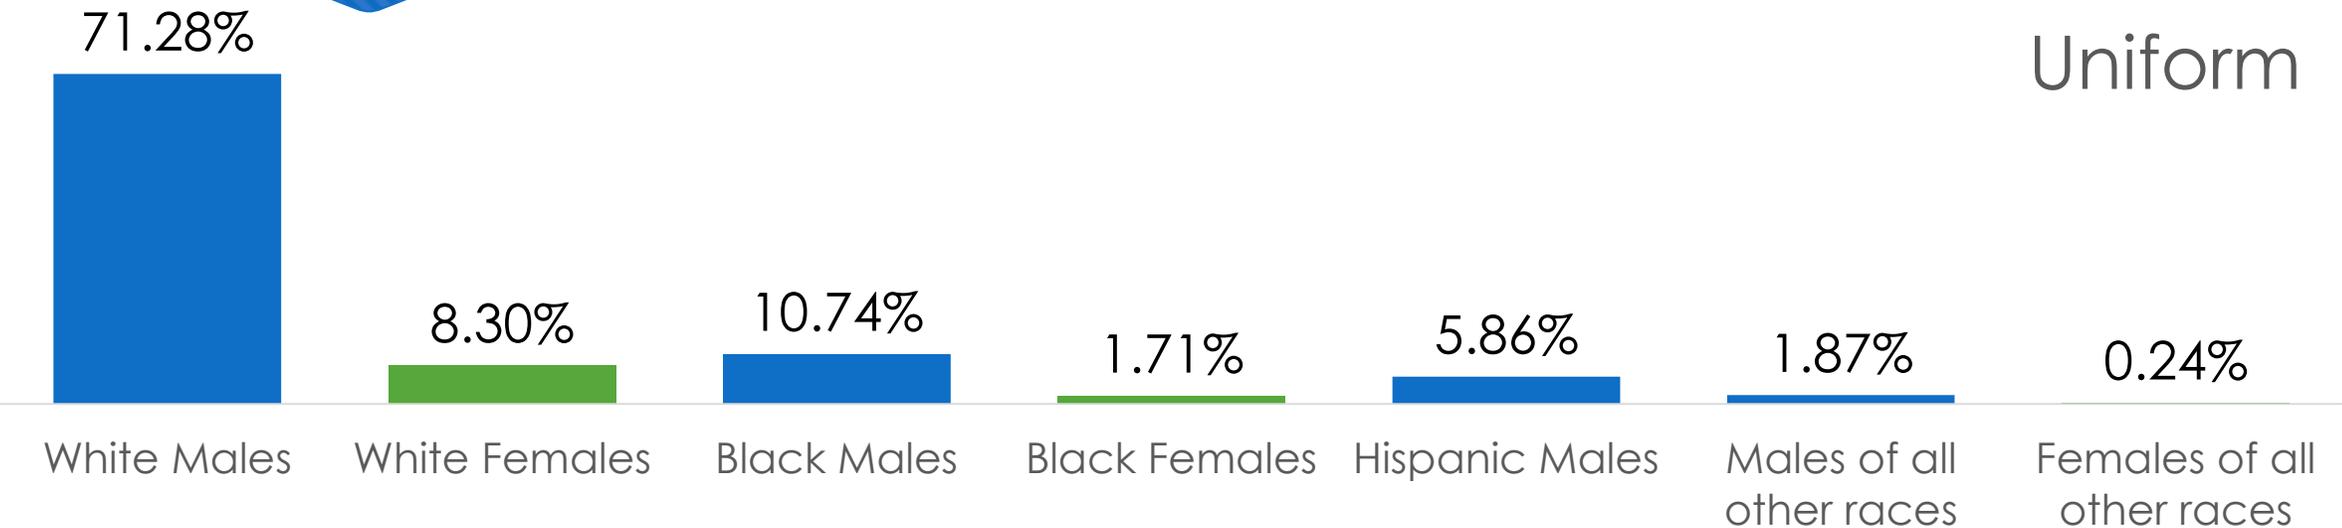

# Workload/Staffing Study

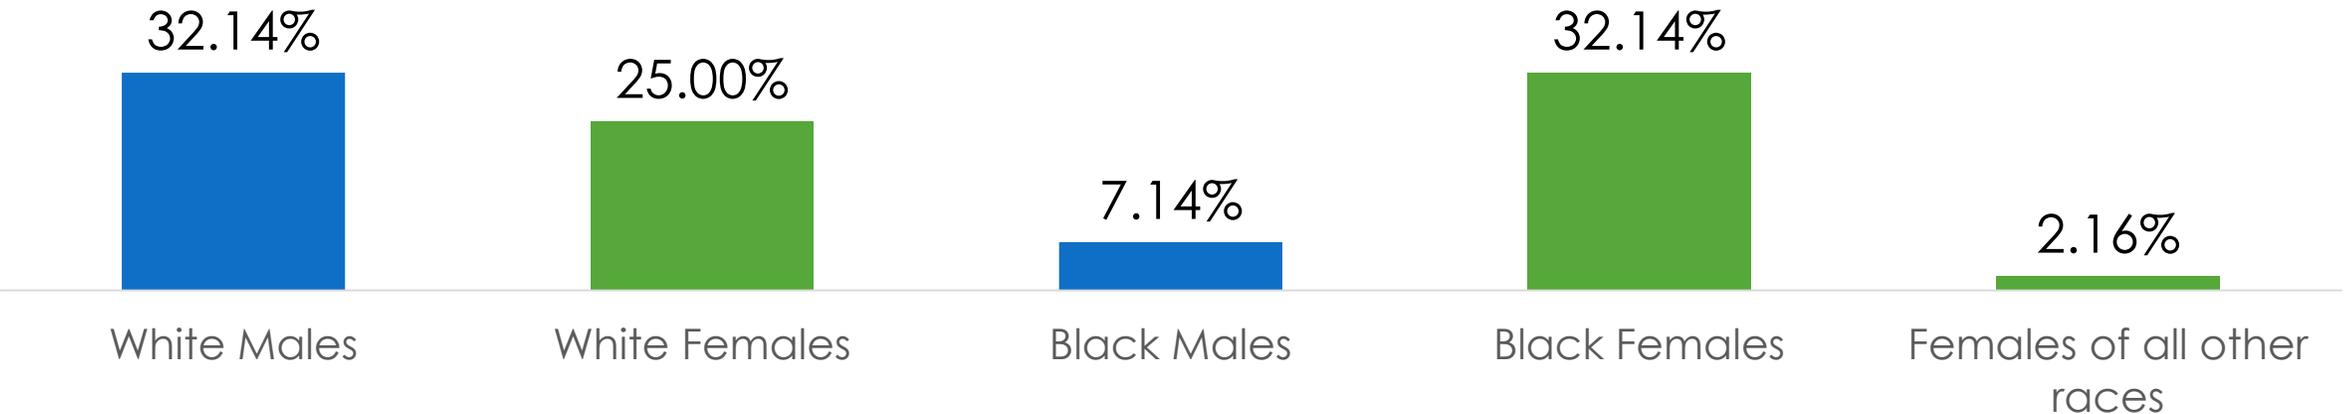

## Objective 9

Review, enhance, and develop programs of the Kansas City Police Department (KCPD) and the Kansas City Fire Department (KCFD) to improve diversity of employee recruitment, succession planning, and retention. *(November 2017)*

# KCFD Personnel Diversity Summary

Uniform

Non-Uniform

# KCFD Pre-Apprenticeship Program Design

- The pre-apprentice program is intended to provide a graduated series of experiences to build competencies, develop skills, and acclimate to the fire service environment, and prepare for successful long term contribution to KCFD and the City.
- Pre-apprentices will begin with assignments designed to instill basic knowledge and skill sets needed to move from their basic EMT training to performance as EMTs in the KCFD delivery system. As single role EMTs, they will gain additional experience to prepare for potential transition to regular employment as EMS providers.
- Those who transition to regular City employment as EMTs are then eligible to cross-train as firefighters under the existing collective bargaining agreement and/or to progress to paramedic training with KCFD support.

# KCFD/Manual Tech EMT Pre-Apprenticeship Program

Background

- July 2015 Council approved Fire Department's request for resolution 150553 to support pre-apprentice KCPS/KCFD partnership.
- We spent one year in development and in August of 2016, the first EMT training/mentoring program began at Manual Tech

How many students are impacted?

- Twelve high school students will graduate and sit for EMT in May
- Up to ten may join KCFD as "preapprentice" trainees

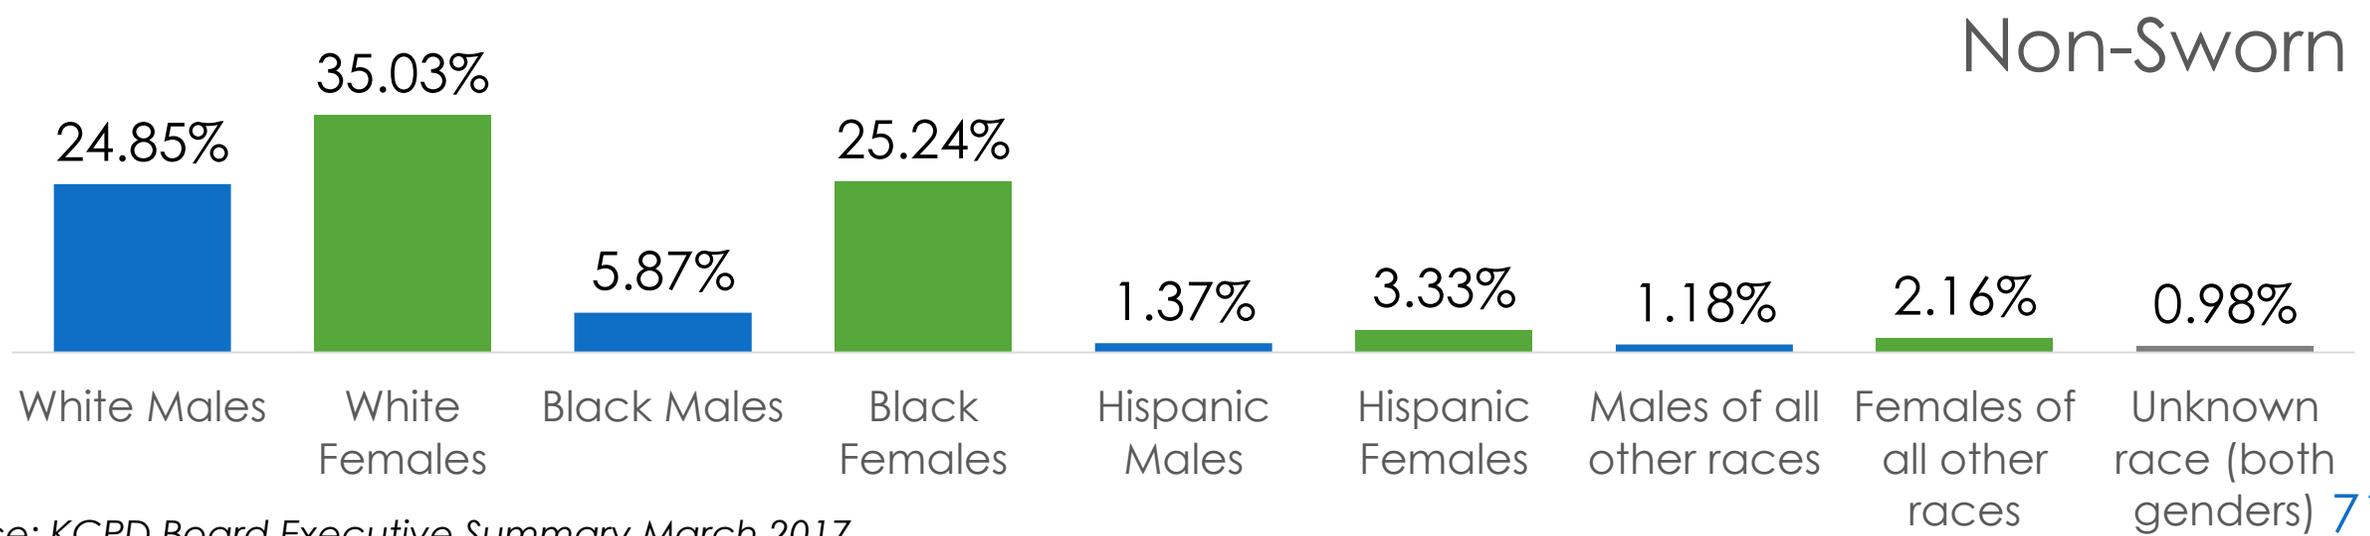

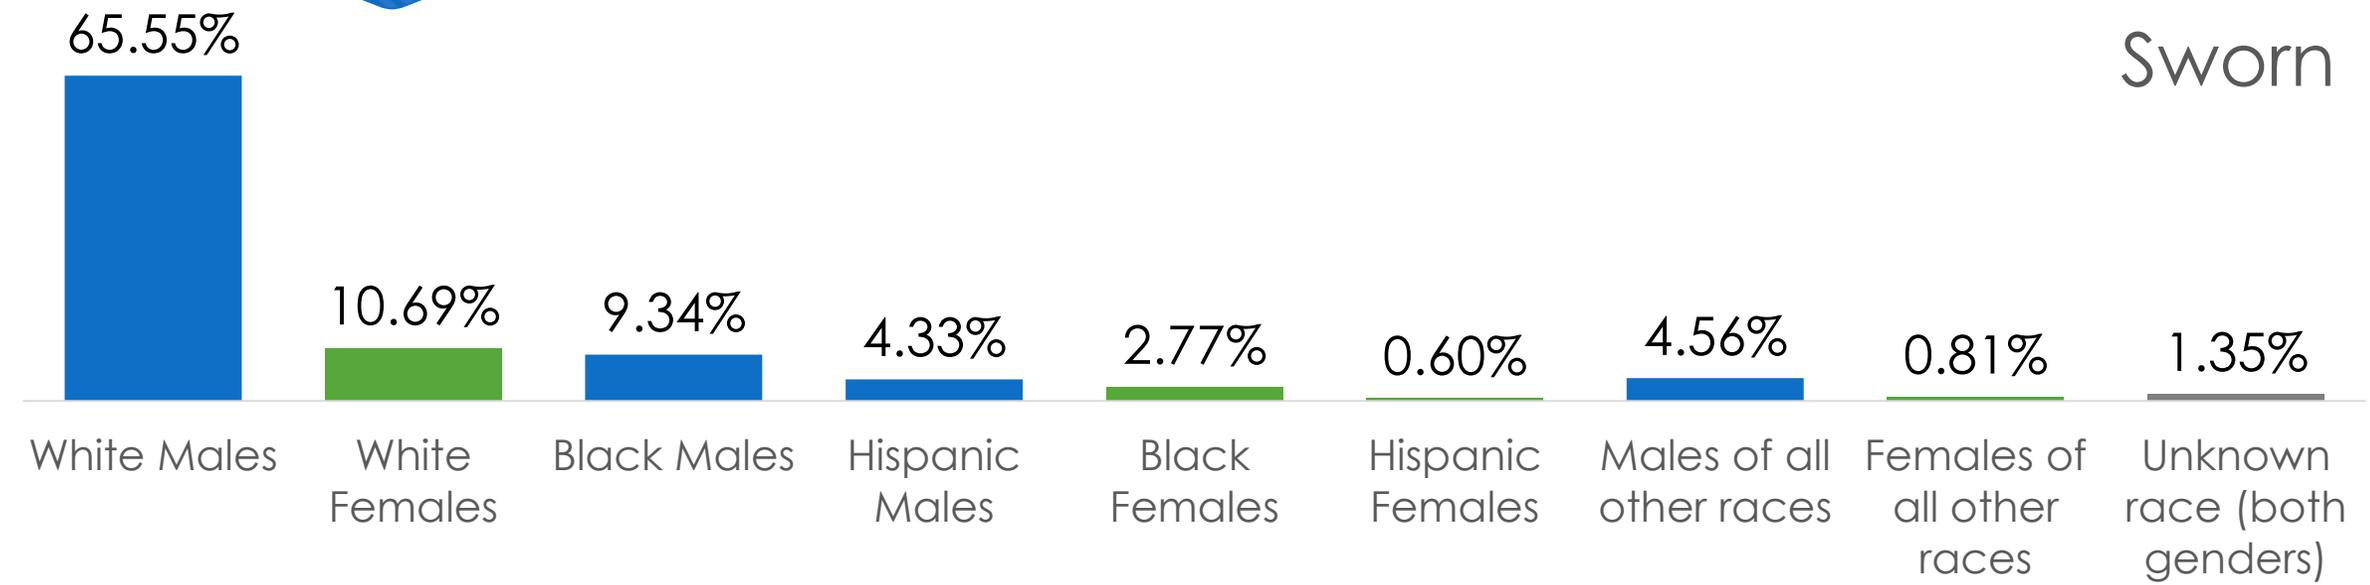

What are the next steps for them?

- Up to one year of full time employment in preparation for full-time status
- Learn various aspects of KCFD system and services
- Credentialing and service in ambulance system as single role EMTs
- May apply for Firefighter/EMT upon reaching eligibility standards
- May also elect to utilize KCFD scholarships for paramedic training
- Pre-apprentices are subject to Human Resources Probationary Period

What is the goal?

- Part of KCFD strategies toward "progressive recruitment" to enhance opportunities for underrepresented minorities to join our ranks

# KCPD Personnel Diversity Summary

# KCPD Recruitment

- Developing a KCPD Recruitment mobile application
- Adding an online application process
- Early stages of developing a high school training program similar to ROTC
- Sunday recruitment seminars at local churches
- Traditional recruiting: job fairs, colleges, military bases, advertisement and social media

# Animal Health and Public Safety

## Objective 4

**Prevent animal-related threats to public safety and support animal welfare through improved pet license compliance, education, and effective animal response operations. *(Ongoing)***

# Citizen Satisfaction with Animal Control

New questions in FY2016-17 Citizen Survey broke out different aspects of animal control into the city's response to animal code enforcement, animal control customer service and the animal shelter operations.

**41** Percent of citizens satisfied with enforcement of animal code  
Current as of May 2017

Dissatisfaction = 21%

**43** Percent of citizens satisfied with enforcement of animal code  
Jul 2018 Target

On Track

Show chart

May 2015 Jul 2015 Oct 2015 Jan 2016 Apr 2016 Jul 2016 Oct 2016 Jan 2017 Apr 2017 Jul 2017 Oct 2017 Jan 2018 Apr 2018 31 Jul 2018

**✘** Percent of citizens satisfied with customer service provided by animal control officers

40 percent

Dissatisfaction = 16%

Explore the data >

This goal is measured by tracking customer service provided by animal control officers via the quarterly citizen survey.

**✔** Percent of citizens satisfied with operations of the animal shelter

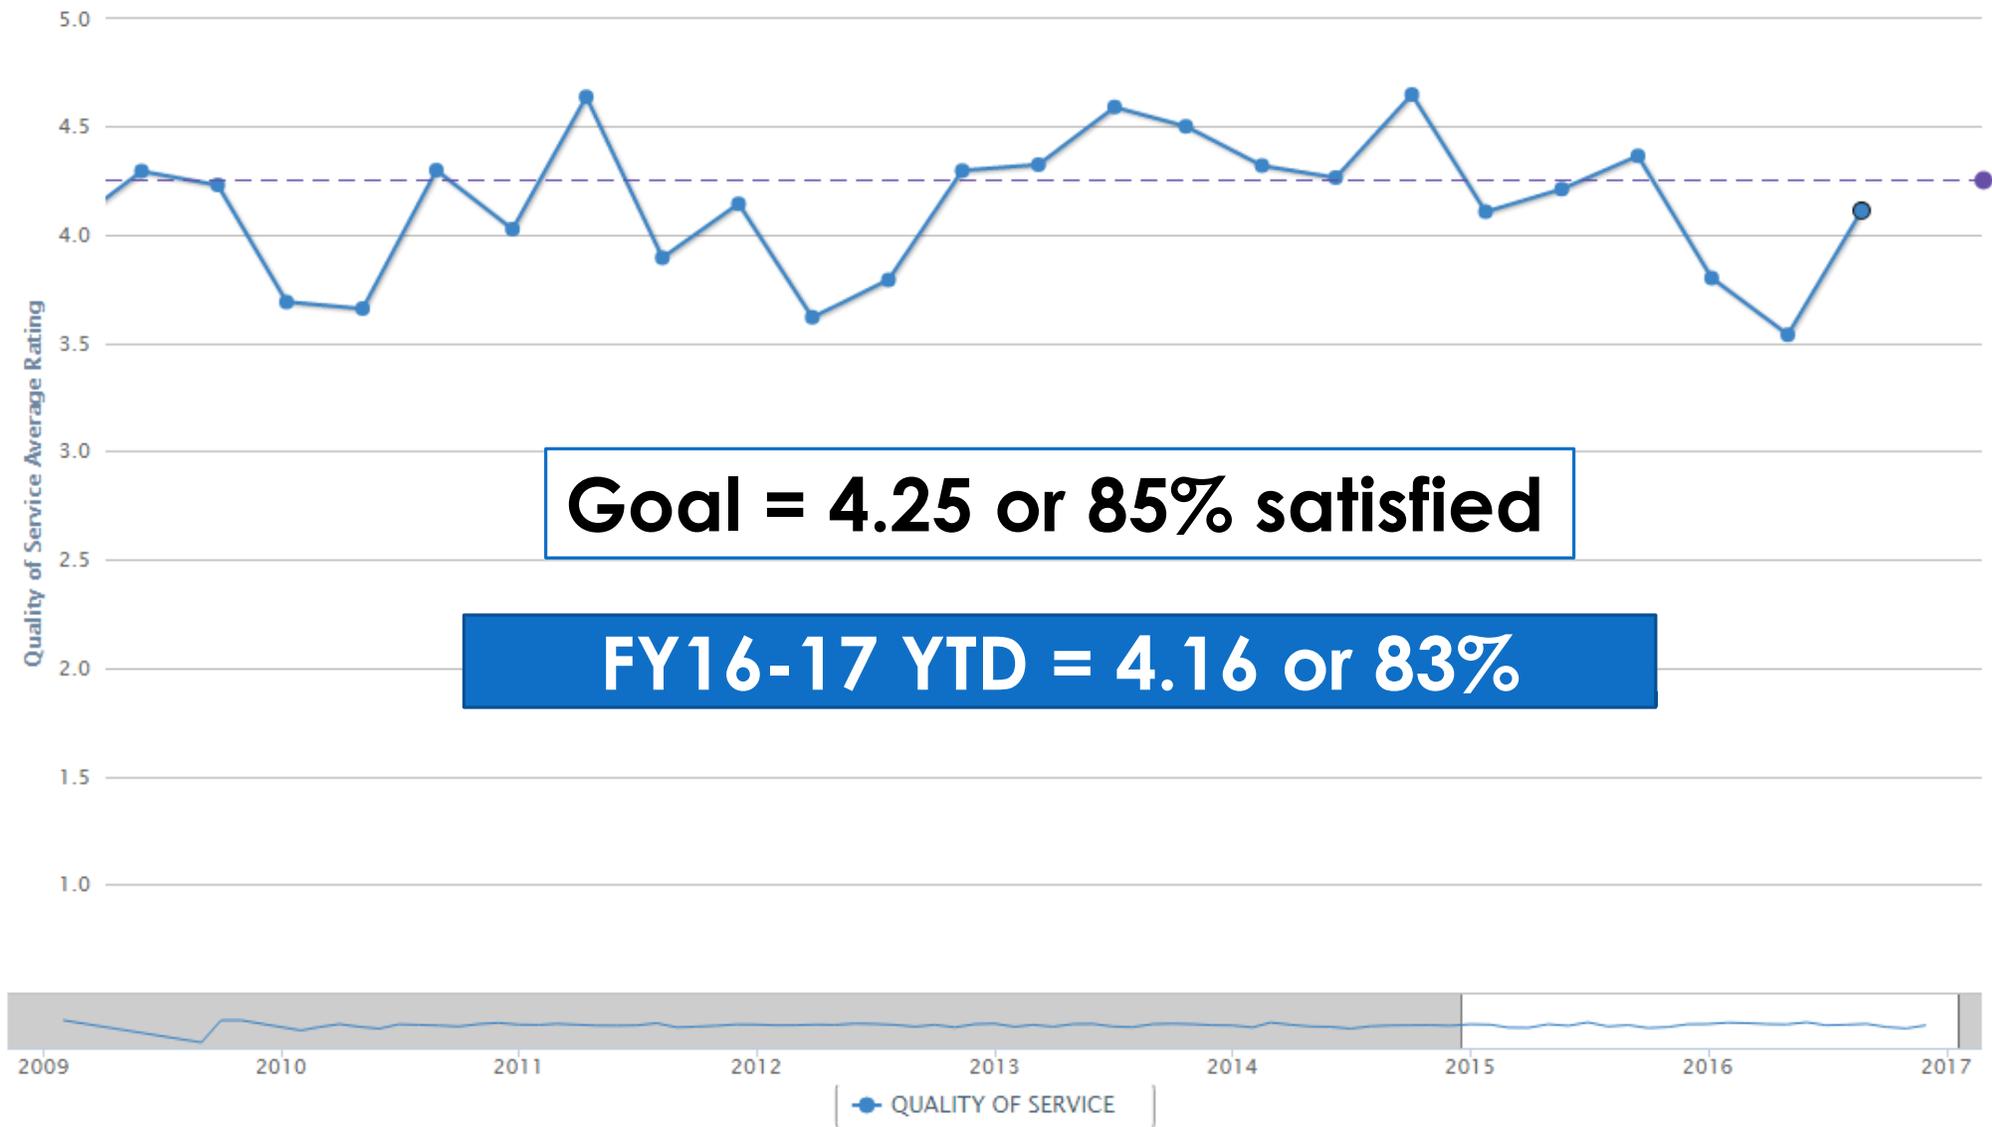

53 percent

Dissatisfaction = 11%

Explore the data >

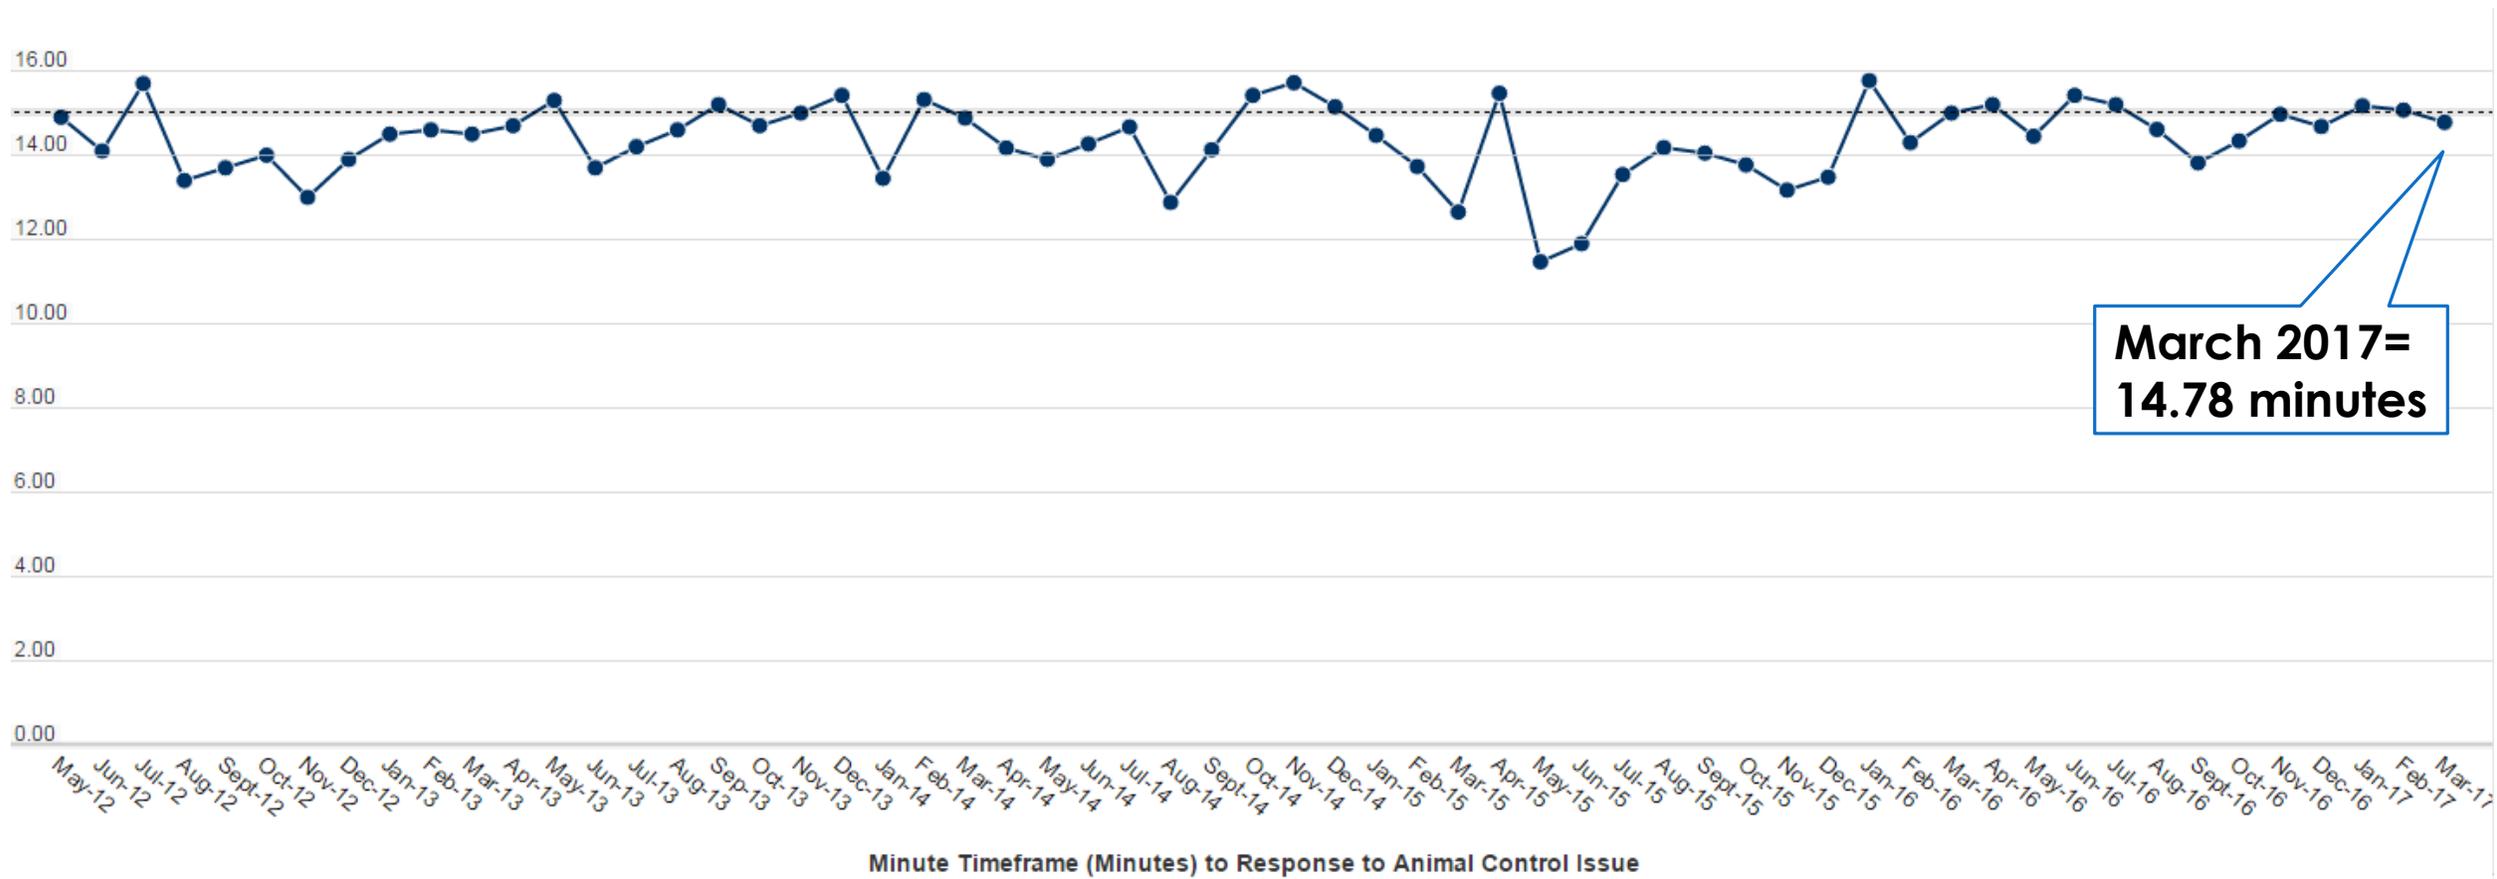

This goal is measured by tracking operations of the animal shelter via the quarterly citizen survey.

# 311 Customer Satisfaction With Animal Control

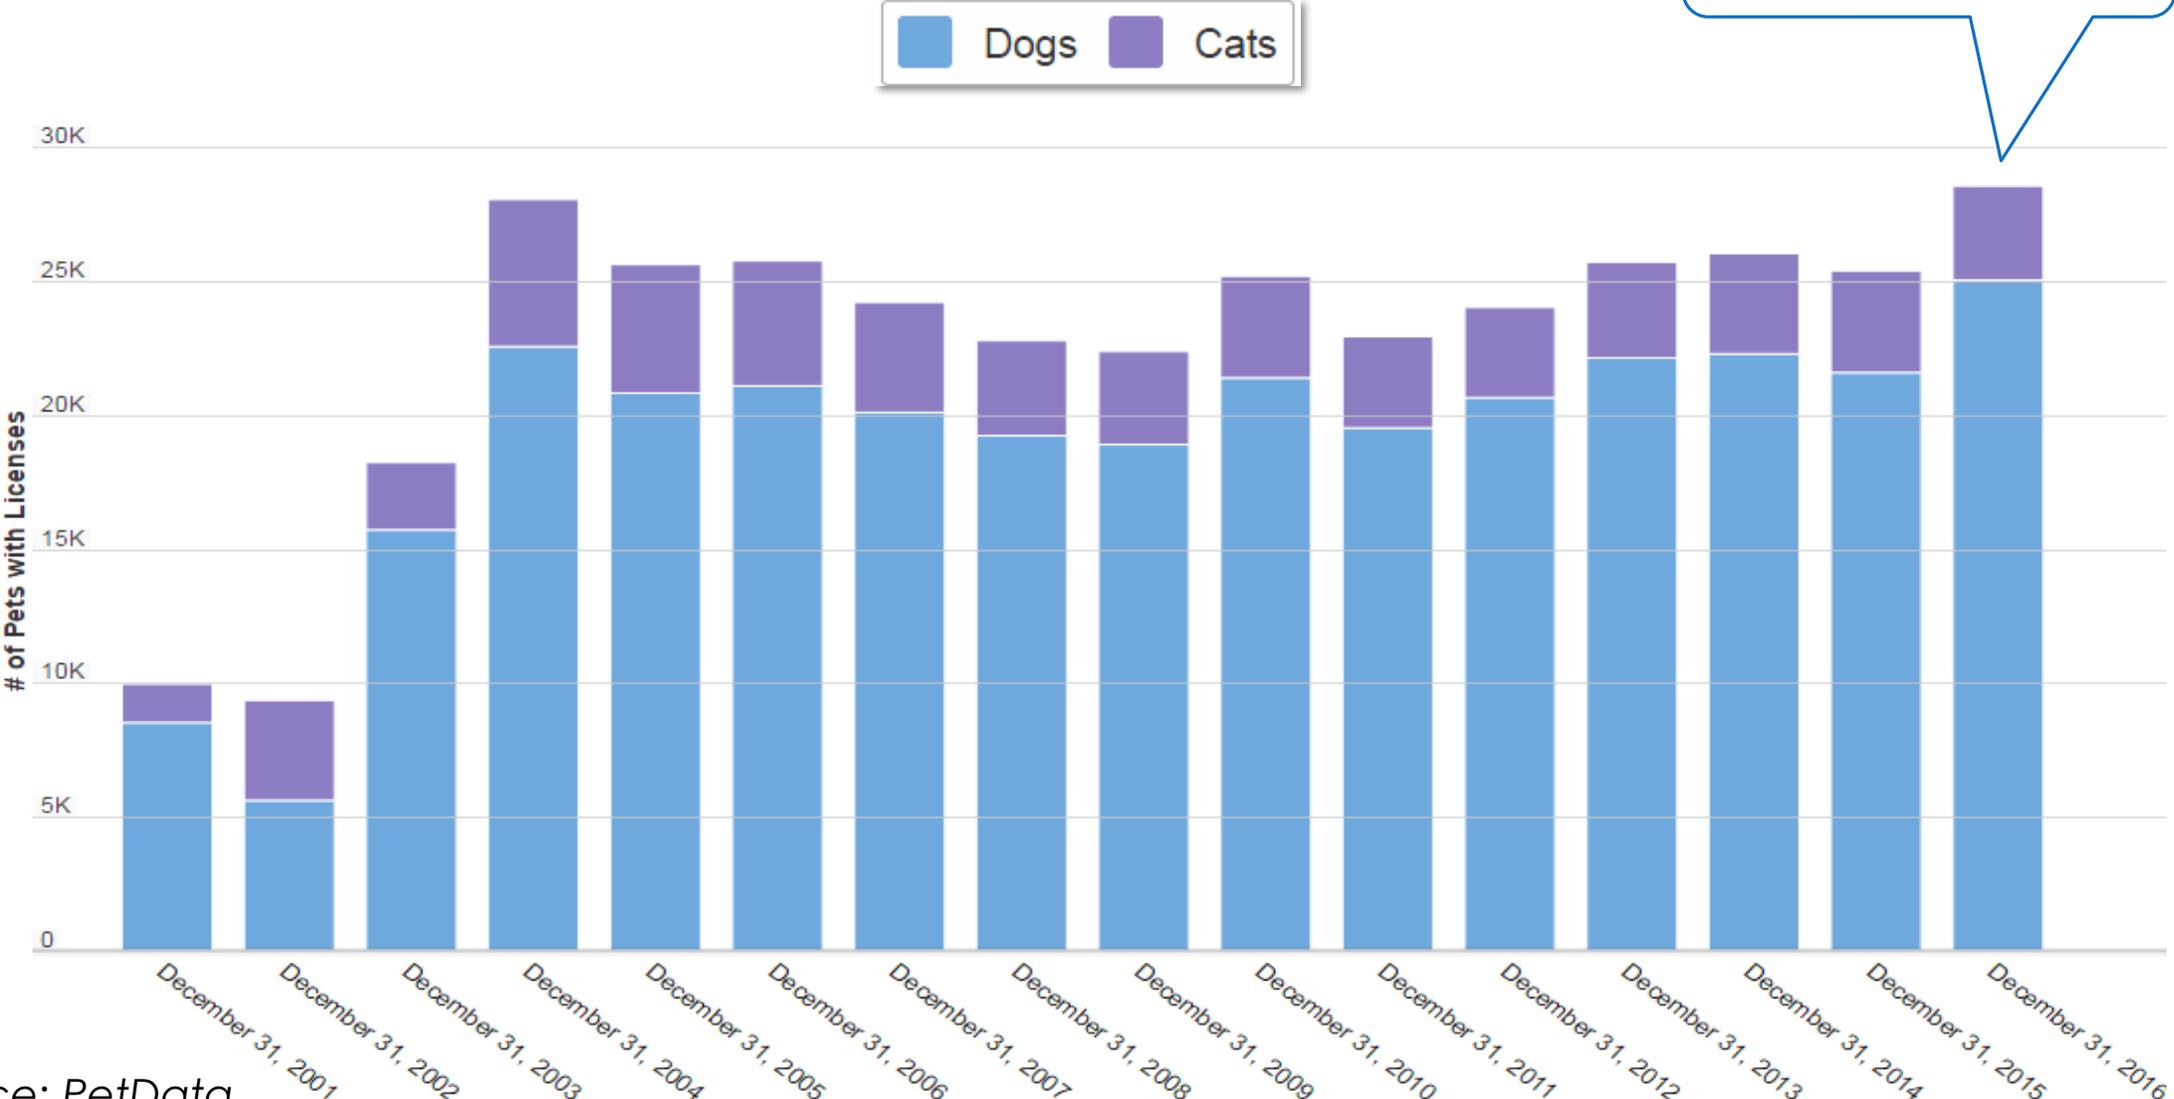

# Animal Control Response Time

■ Median time (minutes) to respond on complaint    - - - - Target (Median of 15 minutes)

# Number of KC Pets with Licenses

25,052 cats and dogs licensed

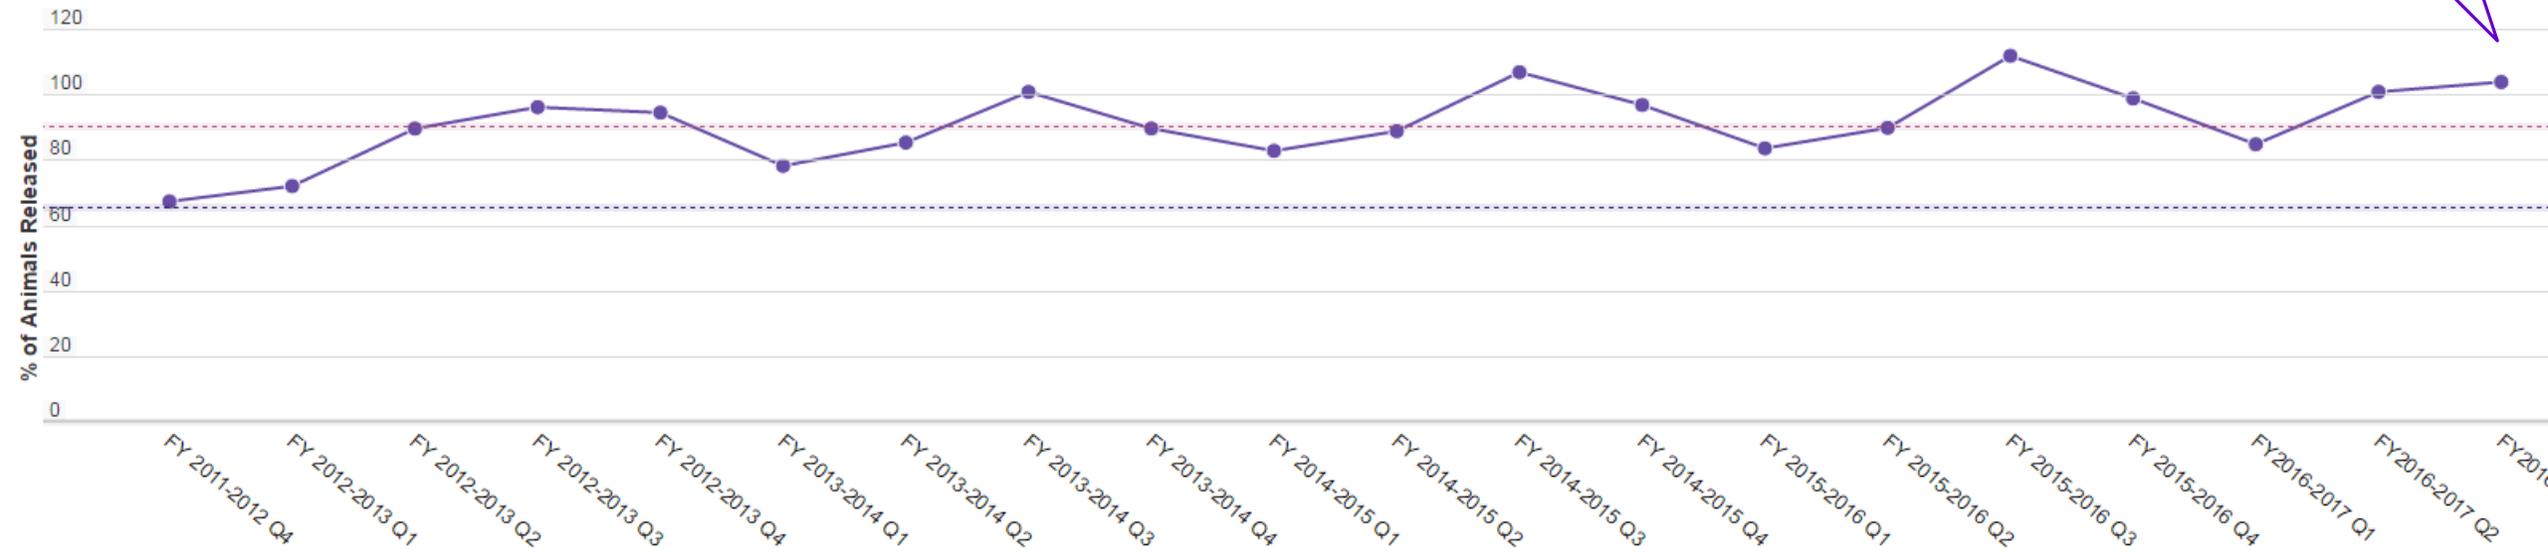

Source: PetData

# Animal Shelter Live Release Rate

KC Pet Project Goal = 90%  
 Contract Goal = 65%

FY2016-17 Q3 = 104%

■ Live Release Rate    - - - Target    - - - Minimum Contractual Standard

Contractual standard calculation:  

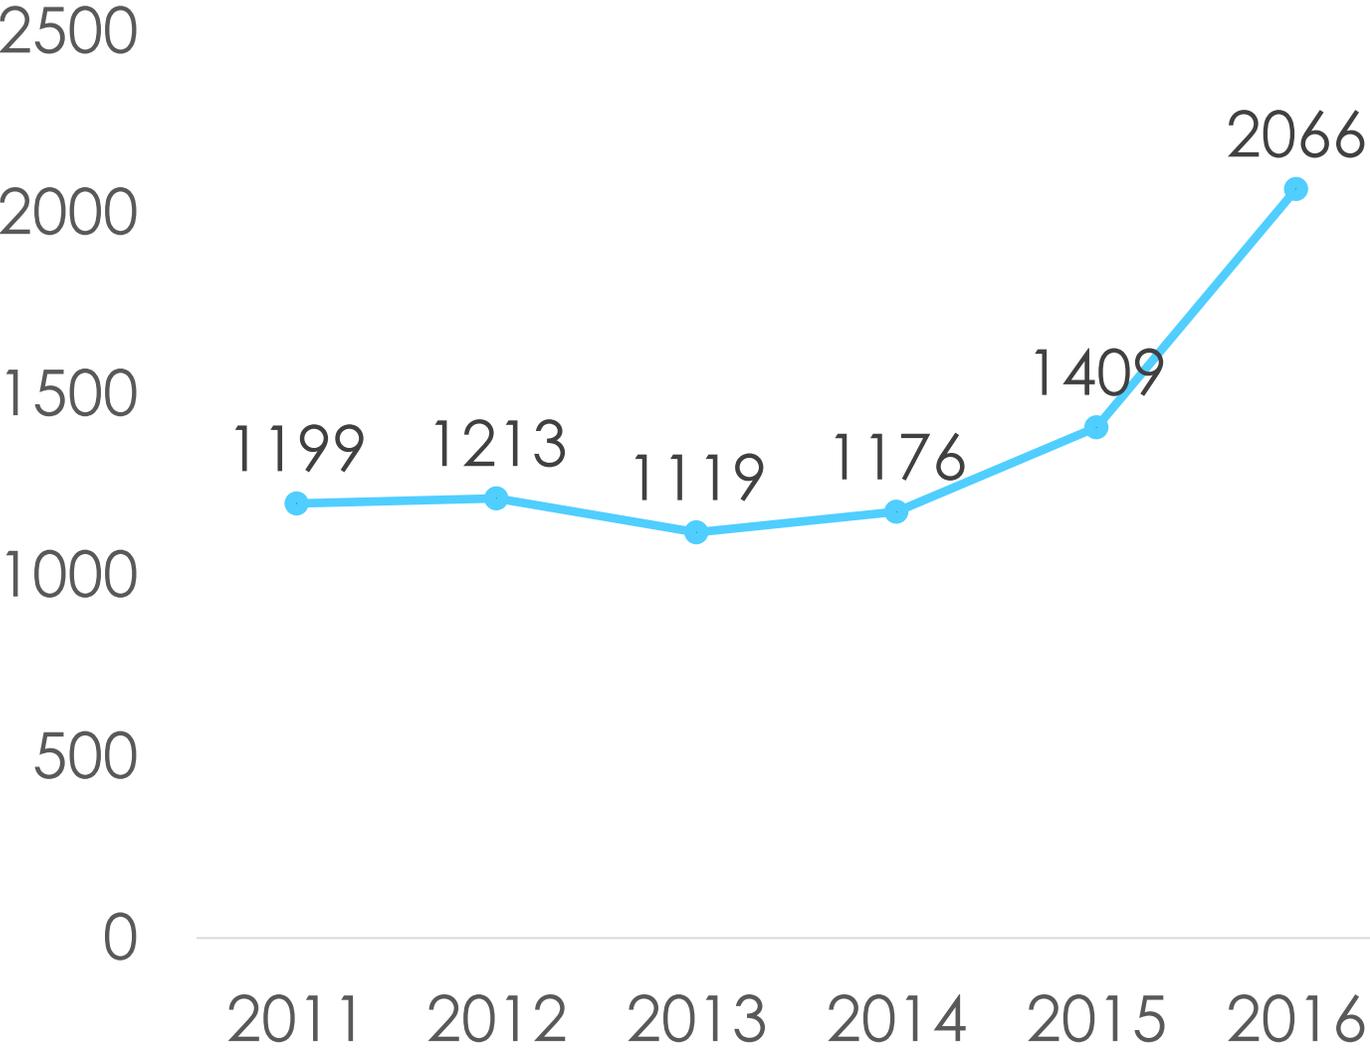

$$X\% = \frac{(\# \text{ of adoptions}) + (\text{of transfers/adopt to rescue groups}) + \text{return to owner}}{(\# \text{ of seized animals}) + (\# \text{ owner surrenders}) + (\# \text{ of stray animals drop offs})}$$

# Animal Control Community Outreach

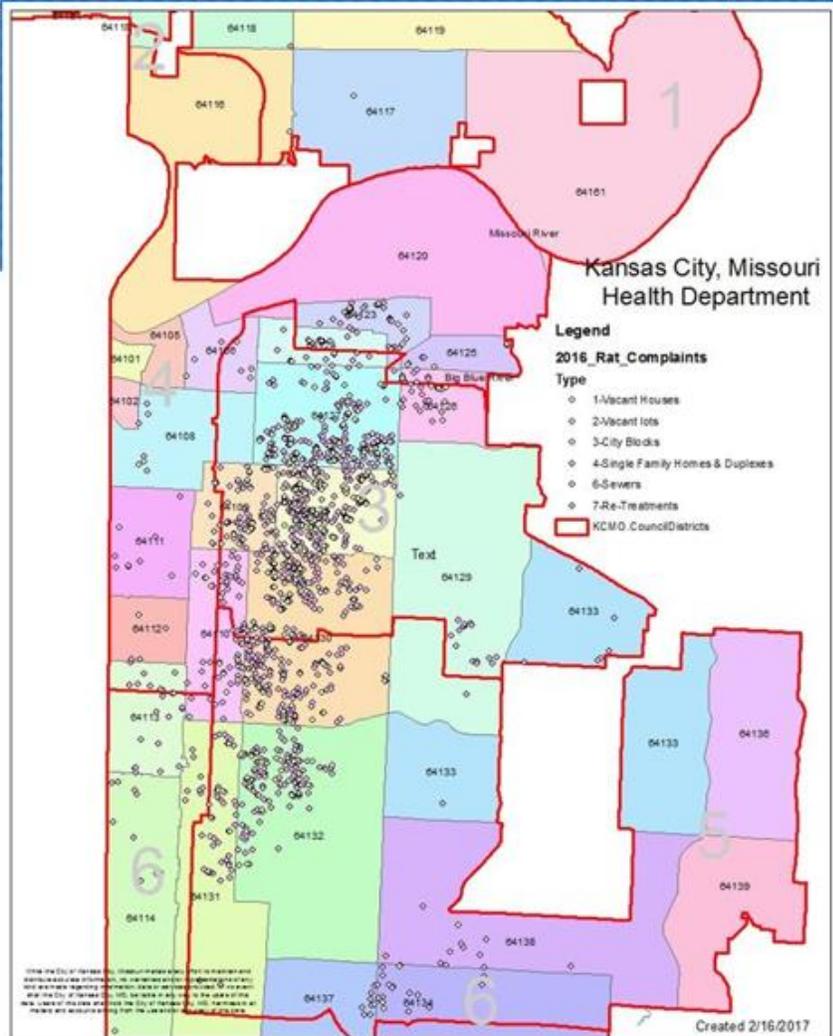

- Public presentations on responsible pet ownership and AH & PS procedures (Melcher Elementary School, Frontier School of Excellence, Community Engagement University, Humane Day in Jefferson City)
- Mandated monthly neighborhood association meetings attendance by animal control officers
- Extensive media coverage (Fox 4, KSHB 41) on AH & PS efforts to keep pets safe during extreme weather conditions
- Six clinics in partnership with *Spay and Neuter Kansas City* providing free vaccinations and microchipping at the following locations and dates:
  - Mattie Rhodes – July 16, 2016
  - West side CAN – Sept 10, 2016
  - South East Community Center – Oct 4, 2016
  - Westport- Roanoke Community Center – Jan 28, 2017
  - Boys and Girls club – February 18, 2017
  - Hillcrest Community Center – March 25, 2017

# Pest Control – Rat Complaints 2011-2016

Map of 2016 complaints

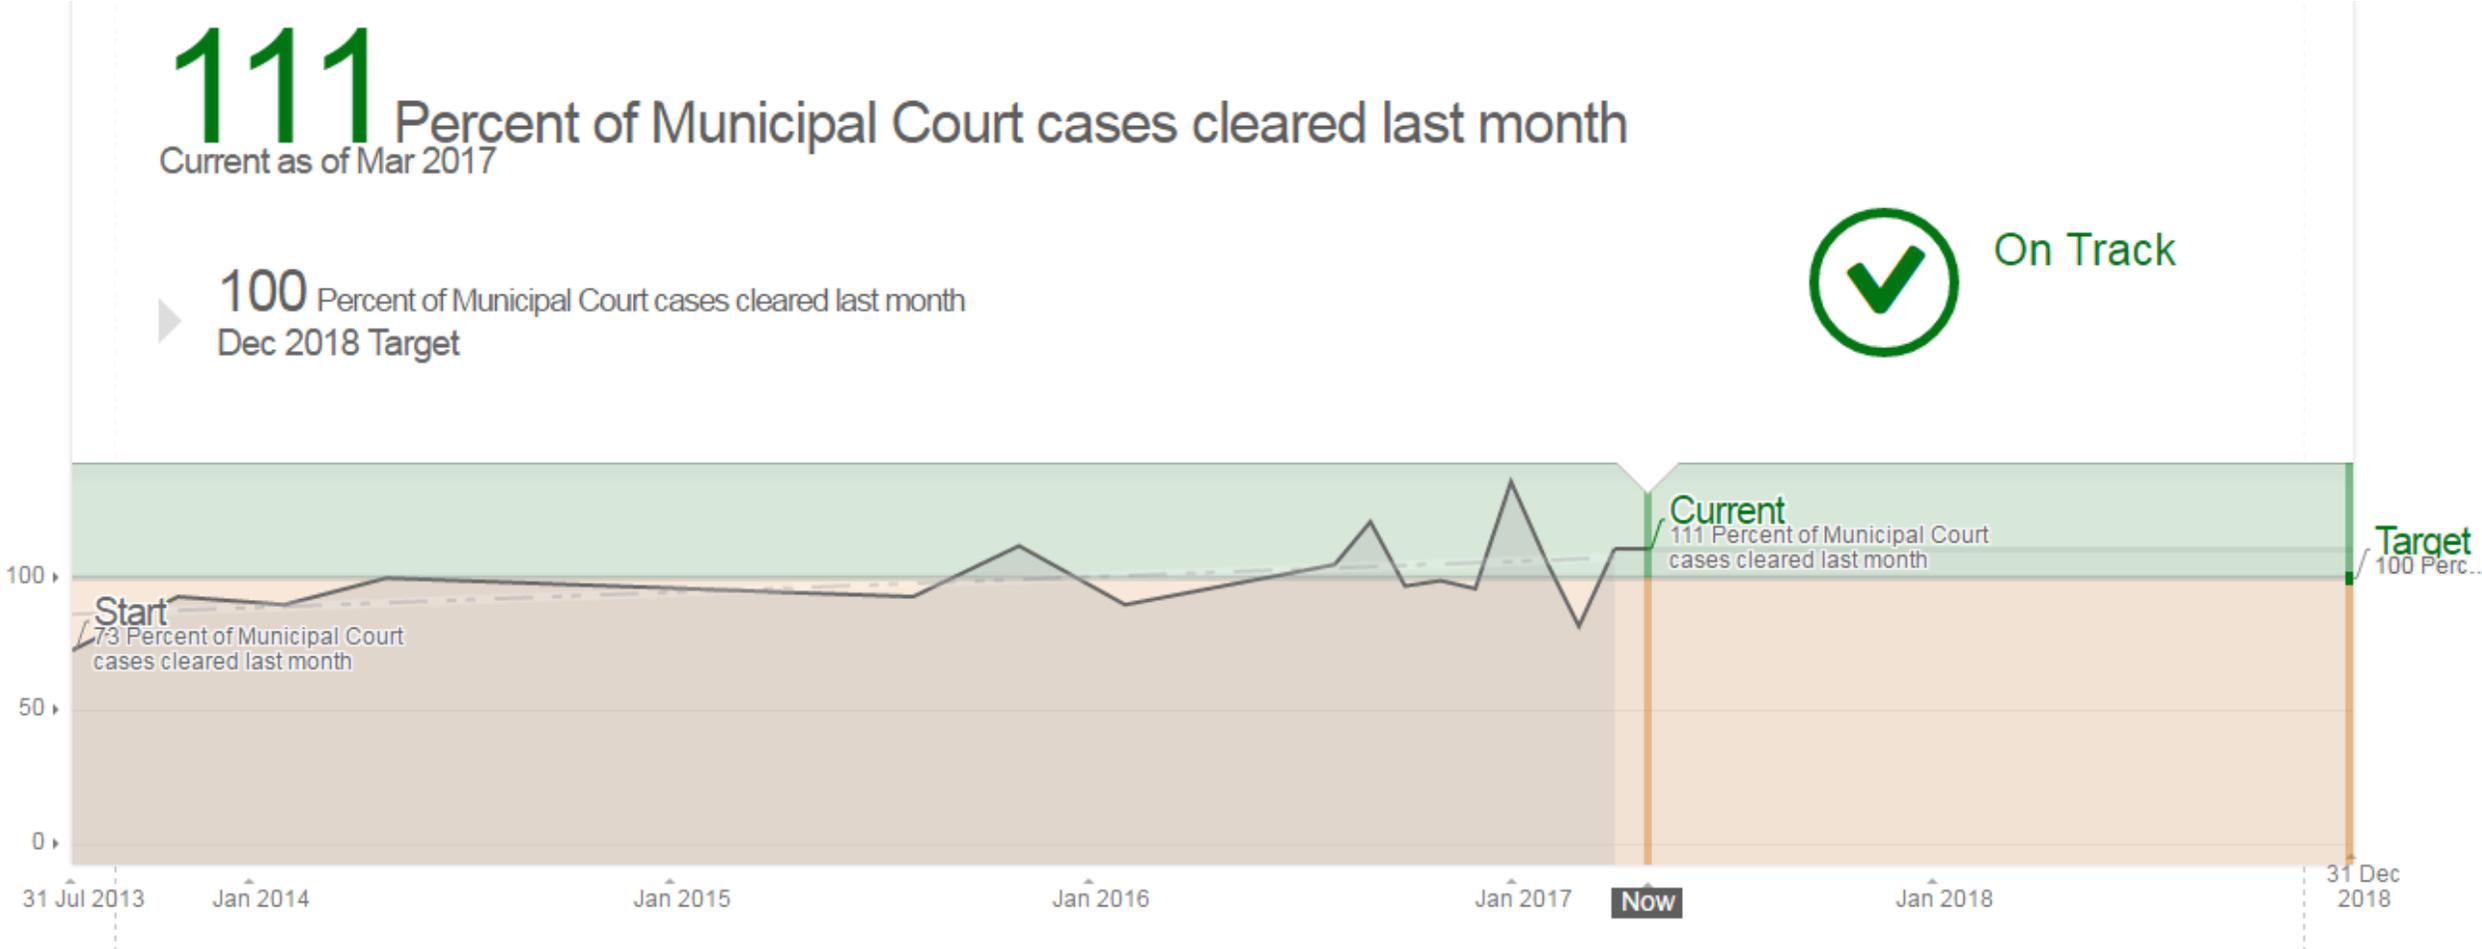

# Fair, Efficient, & Pragmatic Justice

## Objective 5

Measure the effectiveness of the Municipal Court's docket system changes utilizing the National Center For State Courts (NCSC)

# Percent of Municipal Court cases cleared

Source: Municipal Court ([kcstat.kcmo.org](http://kcstat.kcmo.org))

# New Docketing System Impacts

	Old Docketing System	New Docketing System	Change
<b>Time to first setting</b>	83 days	35 days	-58%
<b>Time to disposition</b>			
• <b>Payable</b>	84% in 90 days	84% in 90 days	_____
• <b>Non-Payable</b>	75% in 180 days	76% in 180 days	_____
<b>Officers notified for court</b>	142 per week	38 per week	-72%

## Launched August 8, 2016

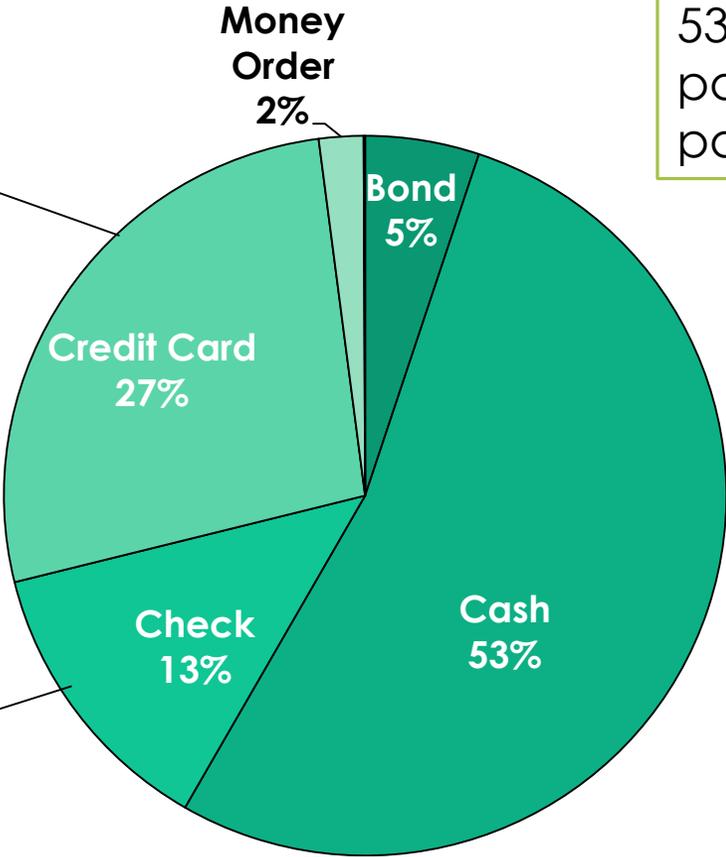

- Cases scheduled by type & anticipated outcome, rather than officer court date
- Victims, witnesses and officers appear for trial date only
- In custody cases centralized to a few courtrooms daily
- 1st time continuance is available up to 15 minutes prior to hearing
- Choice of 3 optional continuance dates/times
- Bypass arraignment and set case for trial online if case is payable

# Payments (May 2016 – March 2017)

### Payment Sources

### In Person Payment Tender

53% of credit card payments were partial payments

## Objective 6

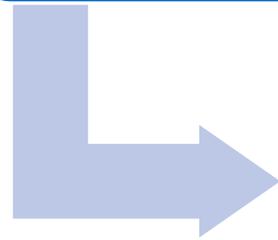

Continue to refine and implement standards and policies of the City's specialty courts to meet national best practices. *(Ongoing)*

# Specialty Court Volume

**From May 01, 2016 to present:**

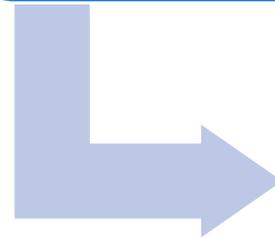

285

- Screened for Specialty Court

257

- Recommended

226

- Entered

# Treatment Courts

## Drug Court

### Celebrating 15 years

Developed 2002 (formalized 2007)

Technical assistance for the SAMHSA, grant used to overhaul and expand drug court.

## Veterans Treatment Court

### Celebrating 8 years

Developed 2009

Kansas City Veteran Treatment Court was used at the model for the new Johnson county, KS, Vet Court and has become a prototype for other programs.

## Mental Health Court

### Celebrating 15 years

Developed 2002

Nearly 50% of participant have co-occurring mental health and substance use issues. Now drug testing upon entry to the program address both earlier in the treatment process.

# Domestic Violence Court

Judge dedicated exclusively to Domestic Violence Court since 1995

## Domestic Violence Court Compliance Docket—Developed in 2015 Program to Date

- Total of 268 defendants referred
  - 40 successfully graduated
  - 52 actively reporting
  - 89 revoked and sentenced
  - 3 currently in custody awaiting sentencing
  - 5 sent to another specialty court
  - 72 outstanding warrants
  - 2 deceased
