

RESOLUTION NO. 170552, AS AMENDED

Reasserting the rights of any councilpersons to attend selection committee meetings in relation to “Request for Qualifications/Proposals for Design, Construction and Private Financing of KCI –Request Number 062017” and directing the City Manager to facilitate attendance of councilmembers, including advising as to time, place, and location for all such meetings to support transparency in the terminal modernization project.

WHEREAS, because of the aging of the current terminal and appurtenant facilities at Kansas City International Airport (“KCI”), and the importance of improving the functionality of KCI for the airlines, airline passengers and general public who use KCI, the Council recognizes that there is a need to consider modernizing the existing terminals and their appurtenant facilities with a terminal that will better serve airline passengers, the airlines and the general public; and

WHEREAS, on May 30, 2017, the City issued a “Request for Qualifications/Proposals for Design, Construct and Private Financing of KCI Request Number 062017” (the “RFQ/P”) in connection with the design, build, and financing arrangements for the proposed terminal modernization project and has issued one addendum to that RFQ/P; and

WHEREAS, the Sunshine Law, R.S.Mo. §§ 610.010 to 610.225 and Public Records Act, R.S.Mo. § 109.180 provide that public records should be made available to the public, which includes elected officials, with limited permissive, but not mandatory exceptions; and

WHEREAS, the Council recognizes significant public interest in the KCI terminal modernization project; and

WHEREAS, the Council recognizes that the flying public and Kansas City, Missouri residents expect their elected officials to have an understanding of significant municipal infrastructure projects; and

WHEREAS, the Council encourages all members of the City Council to have complete and accurate information concerning the terminal modernization project for the benefit of their constituents; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

Reasserting the rights of any councilmembers to attend selection committee meetings in relation to “Request for Qualifications/Proposals for Design, Construction and Private Financing of KCI –Request Number 062017” and directing the City Manager to facilitate attendance of councilmembers, including advising as to time, place, and location for all such meetings to support transparency and accountability in the terminal modernization project, provided that council attendance will not be permitted, with the exception of the selection committee members, if a quorum is created for either the full Council or the Joint Committee of the Airport Committee and the Transportation and Infrastructure Committee.
