

## Tips for using the MVA online mapping portal

- Use the  icon to open a full screen version of the Market Value Analysis mapping portal
- Use the address locator  to find a specific location, or click and drag on the map to explore
- Click on a location to learn more about a particular block group
- Use the visible layers  to turn on additional information like an outline of City Council districts or Area Plan boundaries
- Want to share the online mapping portal with others? Use the Share This Map feature  in the upper-right corner
