

How do I know if my request is eligible for PIAC funding?

Ask yourself **Who is receiving the funding?** and **Whose property is being improved?**

If the City is using PIAC money to fund its own governmental activities, the expenditure is **more likely to satisfy a public purpose**

An expenditure to private individuals or businesses is **less likely to satisfy a public purpose**, with some exceptions

A project designed to conserve, maintain, or improve neighborhoods on City-owned (public) property is **more likely to satisfy a public purpose**

A project on privately-owned property is **less likely to satisfy a public purpose**, with some exceptions
