

SHORT TERM RENTAL CHECKLIST

The City of Kansas City defines a short-term rental (STR) as the rental of a property, dwelling unit, or a portion thereof for a period of fewer than 30 consecutive days—unless the rental qualifies as “lodging” or a “bed and breakfast” under City Code. STRs are commonly listed on platforms such as Airbnb and VRBO. To register a new short-term rental, applicants must submit a completed application along with all required supporting documentation, as outlined in the checklist below. A registration fee of \$200.00 will be assessed once the application is reviewed and ready for approval.

You can register or renew your Short-Term Rental through Compass KC.
